**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please don't raise the cost of telephone and internet. We are a private 2-person household and we definitely care about any changes you make to broadband that will raise our costs.

We also have friends in the country. Raising costs for rural communities would be devastating for them.
