REDACTED FOR PUBLIC INSPECTION

June 14, 2017

Ms. Marlene H. Dortch
Office of the Secretary
Federal Communications Commission
445 12th Street SW
Washington, D.C. 20554

RE: WC Docket No. 14-58, WC Docket No. 10-90

Pursuant to Section 54.313 and 54.422 of the Federal Communications Commission's rules enclosed is the 2017 annual report and certifications for Windstream **Study Area Code 223036 located in Georgia**. A copy of this report is also being filed with the Universal Service Administration Company (USAC), relevant state public service commissions, and tribal governments.

Windstream redacted Section 54.313(h)(1) Rate Floor Data Update customer line/loop counts, which is not readily available to Windstream's competition. Release of this information would cause Windstream to reveal proprietary information that would cause damage to its competitive position.

This filing contains a redacted (200) Service Outage Reporting (Voice) form. The information that was redacted is considered Confidential by the FCC and would cause Windstream to reveal proprietary information and trade secrets and cause damage to its competitive position.

Also redacted are forms (330) Unfulfilled Broadband Service Requests and (710) Company Broadband Service Price Offerings. Windstream does not make this information available to the public in the format required by this report. Release of this data would be detrimental to Windstream as it would provide other broadband providers servicing these areas a competitive advantage.

Should you have any questions, please contact me via email at jeff.l.heacox@windstream.com or by phone at 501-748-5390.

Sincerely,

/s/ Jeff Heacox
