**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a retired person existing on a fixed income. Please keep telephone services and the internet truly affordable. Not the over bloated prices that the main, large national providers toss back and forth. They have banded together to make their "price club" and services a constricted operation in terms of overall services and price.

Thank you,

Joseph Zakrzewski
