**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My only access to the internet is through my local ISP, and they only offer normal DSL-wired service where I live. If they stop offering me this service, I will be unable to access the internet. There really is no alternative for me, as using a smartphone would cost hundreds of dollars a month, which I cannot afford.

Sincerely,

Charles Tesler
