**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have to deal with Comcast/AT&T terrible speeds and their lying about fiber availability. Comcast even did a bait and switch, advertising \$300/month service which they later said would cost thousands per month.

Save competition. Small providers tend to be the only ones pushing the envelope and providing good service.
