**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition in San Francisco. As an Operations Manager of a small nonprofit organization, we have had more than a decade of being limited to one internet and phone service company ATT (which provided poor service). It is crucial to allow a competitive marketplace for broadband, phone services. I also switched to Sonic for my home after years of being throttled and taken advantage of by Comcast. Please allow other companies to provide service so we are not forced to pay the inflated prices of big companies.

Sincerely,

Arlene Kato
