**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition-it's healthy and democratic. I say no to price hikes that will increase internet and phone services. Our provider has given us excellent service and protection and these things should be rewarded with proper access-we are so thankful to have a local competitive exchange carrier for both internet and phone service.
