**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My carrier, Sonic.net, is reliable, affordable, helpful with problems, and a champion for privacy. We need more competition, not less. I have had other carriers with none of the above attributes. While I await fiber service, my current service is what I need now and sufficient for all my computer work.
