**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Here's why I choose a competitive provider, the reason is simple. If you are going to buy a product and if someone can offer you the same product with better quality and better price, can you refuse that? We all believe we always want the better quality with better price. And this is why our president Trump lowered our taxes, especially the corporation tax. With the lower tax rate, so the USA can compete with other countries in the world.
