**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am against monopolies and I live in a place that relies on open access. My family lives on one income and my husband happens to be a field technician for Sonic Telecom and if AT&T is allowed to restrict access to their copper lines, my family will suffer.

Please keep the market fair for these smaller companies and don't allow AT&T to have a monopoly on the copper that provides DSL and telephone services.
