**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose a competitive provider, because I dont want to make a choice of one or two providers. As a free society We should have options and we need broadband to keep the cost of internet and telephone down. It is very critical to my home to keep up with whats happening in our community and around the world.
