Re: In the Matter of Telecommunications Relay Services and Speech-to-Speech Services for  
Individuals with Hearing and Speech Disabilities, CG Docket No. 03-123

Dear Ms. Dortch:

In compliance with 47 C.F.R. 64.604(c) and CG Docket No. 03-123, the Regulatory Commission of Alaska ("RCA") submits the consumer complaint log summary for Alaska's Telecommunications Relay Service ("TRS") provider, Sprint Communications Company L.P. ("Sprint"), for the period of June 1, 2020 through May 31, 2021. Sprint's log indicates that there were no customer complaints for that time period. This filing does not include the total number of interstate relay calls by type. Sprint noted that it will voluntarily file this information separately under seal (see attached Exhibit A).

States are also required to maintain a log of consumer complaints about TRS in the state. Complaints made directly to the RCA are processed by the Consumer Protection and Information Section. During the period June 1, 2020 through May 31, 2021, the RCA did not receive any complaints regarding TRS.

If you have questions regarding this matter please contact John Manaois, Common Carrier Specialist at the RCA, at [john.paul.manaois@alaska.gov](mailto:john.paul.manaois@alaska.gov); telephone (907) 263-2174; or Whit Garey, Consumer Protection and Information Officer for the RCA, at [whit.garey@alaska.gov](mailto:whit.garey@alaska.gov), telephone (907) 263-2104.

Sincerely,

REGULATORY COMMISSION OF ALASKA
