**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please consider that we consumers are better served by a healthy broadband competition rather than having just a few large dominant ISPs. Many small local providers are more attentive to customers needs and provide more competitive service. Small business are the backbone of our economy. Please keep the broadband market competitive.
