**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I switched from AT&T and Comcast to Sonic because of their affordability, faster internet connection, and superior customer service. The other providers provided poor internet and horrible customer service.

Price hikes to internet service don't make sense, as Comcast & AT&T are looking to take advantage of consumers. Broadband is critical to connecting with healthcare providers and watching educational videos on youtube.

Reducing competition hurts all Americans.
