**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer that supports broadband competition. I can't believe you allowed DirecTV and AT&T to merge, it has lessened my choices and made my service worse.

Broadband is critical to my home, and access to my business and school access for our family.

There needs to be competition, I can't believe that I have to write this, and having a choice of one or two mega-providers is not competition, nor good for our society.
