**Re: The Uniendo a Puerto Rico Fund and the Connect USVI Fund
WC Docket No. 18-143**

Dear Ms. Dortch:

T-Mobile USA, Inc.¹ (T-Mobile) is pleased that the Federal Communications Commission is continuing to support telecommunications restoration efforts ongoing in Puerto Rico with Universal Service Fund (USF) support as set out in its May 29, 2018 Order and Notice of Proposed Rulemaking. We were grateful when the Commission declined to offset the emergency advances in high-cost support made immediately after Hurricane Maria against future USF support, and we are hopeful that the infusion of new one-time support through the Uniendo a Puerto Rico Fund will further the restoration begun in 2017. By this letter, we elect to accept our portion of that funding.

As required by paragraph 16 of the Order, I hereby certify that, to the best of my knowledge, information and belief, the number of voice and broadband Internet access service subscribers served by T-Mobile in the territory as of June 30, 2017 as shown in our Form 477 is true and correct.

In accordance with the Order, a copy of this letter also has been filed in the Commission's Electronic Comment Filing System (ECFS) as well as a copy emailed to ConnectAmerica@fcc.gov.

Respectfully submitted,

/s/ 

David J. Werblow,
Senior Director
