**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a customer of a local ISP that installed fiber to provide higher quality service at a lower price point. Allowing legacy semi-monopolistic carriers to cut off competition that is willing to invest in technological upgrades and customer service would be detrimental to the free market and customer experience.
