**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a consumer who supports broadband competition I encourage you to vote to keep rates low and encourage other companies to improve our internet services for our infrastructure and security. I was a Comcast user and switched to Sonic since they provided better service at a much more affordable price.

Keep competition in the internet service industry.
