**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a customer of Sonic.net, which is local competition over UNE.

They offer way better customer service and at a super competitive prices.

People who work from home rely on good speed, reliability, and prices.

Competition is healthy here. Without it, the big telecoms have no incentive if there is no alternative.
