**Re: In The Matter Of the Uniendo a Puerto Rico Fund and the Connect USVI
Fund WC Docket 18-143**

Dear Ms. Dortch:

WorldNet Telecommunications, Inc. ("WorldNet") would like to notify the Commission of its election to participate in the Stage I funding established by the Commission in the Order and Notice of Proposed Rulemaking released by the Commission in the docket referenced above on May 29, 2018 ("Order"). To this end, and as required in paragraph 16 of the Order, WorldNet hereby certifies, based upon a good faith review of its records and to the best of its information, knowledge and belief that it had 7,604 subscribers of voice and/or broadband Internet access services in Puerto Rico as of June 30, 2017. These connections were provided with fixed wireline and fixed wireless facilities. Contrary to the representation of WorldNet in paragraph 11 of the Order, WorldNet provides no mobile services in Puerto Rico. WorldNet submits as Attachment A to this letter documentation from WorldNet's records supporting this certification.

The subscriber count provided in this letter is the number of physical end user locations to which WorldNet provided voice and/or broadband Internet access services in Puerto Rico as of June 30, 2017, not line or service counts. WorldNet determined to provide this count based on WorldNet's best efforts interpretation of the Commission's guidance in footnote 31 to paragraph 16 of the Order. To the extent that WorldNet has misinterpreted the Commission's request, WorldNet invites clarification and requests that the Commission afford WorldNet the right to revise and/or supplement its count based on the appropriate criteria. WorldNet also invites the Commission, to the extent responsive, to review the data provided in WorldNet's latest Form 477 filing, which is true and correct to the best of WorldNet's knowledge.

Respectfully submitted,

Maria de los A. Virella
President
