**RE: *Electronic Delivery of Cable Communications*, MB Docket No. 17-317
Notice of Ex Parte Presentation**

Dear Ms. Dortch:

On June 25, 2017, the undersigned and Christine Sanquist of Jenner & Block met with Martha Heller and Sarah Whitesell of the Media Bureau regarding the above-referenced proceeding. During the meeting, we discussed Charter's proposal to clarify the "advance notice" rules applicable to changes in cable rates, programming services, or channel positions,¹ as described in Charter's February 15, 2018 *ex parte* filing in this docket.² We also urged the Commission to address this proposal in the main Media Modernization proceeding or, alternatively, in a Further Notice of Proposed Rulemaking in this docket.³

Please contact me if you have any questions regarding these matters.

Sincerely,

/s/ Maureen O'Connell

³ Charter inadvertently failed to file this notice within two business days of the presentation. Given the inadvertent nature of the delay, and fact that the presentation contained no information that has not already been presented in these proceedings, we request a waiver of the filing deadline in § 1.1206(b)(2)(iii) of the Commission's rules. Late filing of this notice will ensure a complete record of Charter's *ex parte* presentations in these proceedings.
