ORDER

Issued: September 15, 1992; Released: September 16, 1992

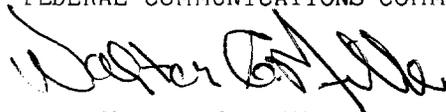

Valentine Communications, Inc. (Valentine) seeks a ruling on a "Motion to Accept Late Filed Pleading." They filed their motion on September 14, 1992, and want their Notice of Appearance accepted out of time.

Ruling

Valentine's motion will be granted. Their explanation about why they didn't file their Notice of Appearance on the due date (September 8, 1992) is accepted. Moreover, acceptance of the Notice of Appearance will permit the Trial Judge to consider a "Joint Request for Approval of Settlement Agreement" that Valentine and Snipe also filed on September 8, 1992.

SO the "Motion to Accept Late Filed Pleading" that Valentine Communications, Inc. filed on September 14, 1992, IS GRANTED; and the accompanying Notice of Appearance IS ACCEPTED.
