COMMENTS IN SUPPORT OF NOTICE OF PROPOSED RULE MAKING

Cynthia A. Siragusa ("Siragusa") by Counsel, and pursuant to §§ 1.415 and 1.420 of the Commission's Rules, hereby respectfully submits her Comments in Support of the substitution of Channel 238C3 for Channel 238A at Belle Plaine, Iowa, as set forth in the "Notice of Proposed Rule Making" ("NPRM") in the above-captioned proceeding.

As support for grant of the proposed substitution, Siragusa hereby confirms and incorporates by reference the statements made in her original Petition for Rule Making. Siragusa also hereby confirms and restates her present intention to apply for the upgraded channel if allotted, and if authorized, to build a station promptly on the upgraded frequency. Siragusa submits that the proposed upgrade would be in the public interest, in that it would provide the area with wide coverage area FM service, and because the channel may be allotted in compliance with the Commission's rules.

WHEREFORE, the foregoing considered, Siragusa respectfully requests that the Commission GRANT her Petition and AMEND §73.202(b) of the Commission's Rules, the FM Table of Allotments, as set forth below, and MODIFY her permit for Belle Plaine, Iowa.
