I received the following decision from USAC for FCC Form 471 on June 20, 2019:

Your application is being filed after the close of FY 2019 filing window. Therefore, your application will not be considered for funding.

I had completed my Form 471 on March 21, 2019 but I must have forgotten to Certify it. I got this email message from from USAC on June 19, 2019 that I needed to Certify Form 471, but this was already past the closing date of March 27, 2019.
