**Re: TRS Consumer Complaint Log Summaries for June 1, 2018 through May 31, 2019
CG DOCKET NO. 03-123**

Dear Ms. Dortch:

The California Public Utilities Commission respectfully submits the attached complaint log in connection with the provisioning of Telecommunications Relay Service pursuant to Section 64.604(c)(ii) of the FCC's rules. Hamilton Relay, with corporate offices located at 1006 12th Street, Aurora, NE 68818, is under contract with the State of California to provide Telecommunications Relay Service.

Hamilton tracks all complaints and all other customer service activity for the State of California. California's complaint summary is associated with complaints related to FCC TRS rules.

Hamilton processes any complaint, which originates via a toll-free telephone number, e-mail, web-site, in person, in writing or via Live Chat. We strive to respond to all customer inquiries within 24 hours and to resolve complaints within 72 hours.

California Relay has received a total of 189 TRS complaints in violation of FCC mandatory minimum standards for the time period June 1, 2018 through May 31, 2019. In addition, California Relay has received a total of 115 CTS complaints in violation of FCC minimum standards for the same time period.

Of the 189 total TRS complaints in California, 19 were expressed from one relay user and 3 were expressed from another relay user, both of whom have had difficulty understanding what relay is and how to best use the relay. Customer Care personnel and Hamilton Relay Management have spoken with these users on several occasions to assist, but these customers still do not fully understand telecommunications relay service. Customer Care will continue to work with these relay users.

Please feel free to contact me at (916) 327-6772 or Dixie Ziegler with Hamilton Relay at 800-618-4781 V/TTY with any questions regarding the above.

Sincerely,

/s/ Lisa-Marie G. Clark
Attorney

Released: May 31, 2019

**REMINDER TO STATES AND INTERSTATE TELECOMMUNICATIONS
RELAY SERVICES PROVIDERS THAT THE ANNUAL SUMMARY OF
CONSUMER COMPLAINTS IS DUE BY JULY 1, 2019**

**REMINDER OF ONGOING OBLIGATION TO REPORT
CONTACT INFORMATION AND SUBSTANTIVE CHANGES IN TRS PROGRAMS**

CG DOCKET NO. 03-123

Obligation to File Annual Summary of Consumer Complaints.

The Federal Communications Commission's Consumer and Governmental Affairs Bureau reminds states and providers of interstate telecommunications relay services (TRS)¹ that they must submit their annual consumer complaint log summaries covering the 12-month period from June 1, 2018 through May 31, 2019, on or before Monday, July 1, 2019.

To assist the Commission in monitoring the service quality of TRS providers, the Commission requires state TRS programs and interstate TRS providers to collect and maintain a log of consumer complaints that allege violations of the federal TRS mandatory minimum standards.² State TRS programs are required to log all complaints made to the state agency, as well as those made to the state's TRS provider. Both state and interstate TRS providers must file summaries of their respective complaint logs with the Commission annually.³ These summaries are intended to provide an indication to the Commission of possible service quality issues. This information also allows the Commission to determine whether a state or interstate TRS provider has appropriately addressed consumer complaints, and to spot national trends that may lend themselves to coordinated solutions. Moreover, the information enables states to learn how other states are resolving complaints.⁴

Complaint log summaries shall pertain to complaints received from June 1, 2018, through May 31, 2019, and include at a minimum, the total number of interstate relay calls by type of TRS (i.e., traditional TRS, speech-to-speech (STS), captioned telephone service (CTS), Internet protocol (IP) CTS, IP relay service

¹ Providers of interstate TRS service include all Internet-based TRS providers.

² See 47 CFR § 64.604(c)(1)(i); see also *Telecommunications Relay Services and Speech-to-Speech Services for Individuals with Hearing and Speech Disabilities*, Report and Order and Further Notice of Proposed Rulemaking, 15 FCC Rcd 5140, 5144-5145, para. 9 (2000) (*Improved TRS Order*).

³ 47 CFR § 64.604(c)(1)(ii).

⁴ *Improved TRS Order*, 15 FCC Rcd at 5190-5191, para. 122.

(IP Relay), and video relay service (VRS)), the number of complaints alleging a violation of the federal TRS mandatory minimum standards, the date of the complaint, the nature of the complaint, the date of its resolution, and an explanation of the resolution.⁵

Complaint Log Summary filings must reference CG Docket No. 03-123. Submissions may be filed in one of two ways: (1) by using the Commission's Electronic Comment Filing System (ECFS), or (2) by filing paper copies.

- Electronic Filers: Submissions may be filed electronically using the Internet by accessing the ECFS: <http://apps.fcc.gov/ecfs/>. Filers should follow the instructions provided on the website for submitting comments.
- Paper Filers: Parties who choose to file by paper must file an original and one copy of each filing.

Filings can be sent by hand or messenger delivery, by commercial overnight courier, or by first-class or overnight U.S. Postal Service mail. All filings must be addressed to the Commission's Secretary, Office of the Secretary, Federal Communications Commission.

All hand-delivered or messenger-delivered paper filings for the Commission's Secretary must be delivered to FCC Headquarters at 445 12th Street, SW., Room TW-A325, Washington, DC 20554. The filing hours are 8:00 a.m. to 7:00 p.m. All hand deliveries must be held together with rubber bands or fasteners. Any envelopes must be disposed of *before* entering the building.

- Commercial overnight mail (other than U.S. Postal Service Express Mail and Priority Mail) must be sent to 9050 Junction Drive, Annapolis Junction, MD 20701.
- U.S. Postal Service first-class, Express, and Priority mail must be addressed to 445 12th Street, SW., Washington DC 20554.

Obligation to Submit Contact Information and Notice of Substantive Changes in TRS Programs.

We also remind certified state TRS programs, interstate TRS providers, and TRS providers that have state contracts that they must submit to the Commission the name of a contact person or office, or both, for the receipt of inquiries and complaints from consumers about the certified state TRS program's intrastate service or, as appropriate, about the TRS provider's service.⁶ The submission must include, at a minimum, the name and address of the state or TRS office that receives complaints, grievances, inquiries and suggestions; the voice, TTY, fax number, e-mail address, and web address for that office; and the physical address to which correspondence should be sent.⁷

The Commission must be notified each time there is a change in any of this required information. Any changes in contact information for certified state TRS programs or interstate TRS providers, or both, should be sent to TRS_POC@fcc.gov.

⁵ See 47 CFR § 64.604(c)(1).

⁶ 47 CFR § 64.604(c)(2).

⁷ *Id.*

We also remind certified state TRS programs that they must notify the Commission of any substantive changes in their TRS programs within 60 days of when they occur, and must certify that the state TRS program continues to meet federal mandatory minimum standards after implementing the substantive change.⁸ Similarly, providers of VRS, IP Relay and IP CTS certified under section 64.606 of the Commission's rules⁹ must also notify the Commission of any substantive changes in their TRS programs, services, and features within 60 days of when such changes occur, and certify that they continue to meet federal mandatory minimum standards after implementing the substantive change.¹⁰ Notices of substantive changes in TRS Programs must reference **CG Docket No. 03-123**.

Contact information for certified state TRS programs is posted on the Consumer and Governmental Affairs Bureau's website at: <https://www.fcc.gov/general/trs-state-and-territories>; contact information for Internet-based TRS providers is posted at: <https://www.fcc.gov/general/internet-based-trs-providers>.

The full text of this document and copies of any subsequently filed complaint log summary and notices of substantive changes in TRS program documents in this matter will be available for public inspection and copying during regular business hours at the FCC Reference Information Center, Portals II, 445 12th Street, SW., Room CY-A257, Washington, DC 20554. Filings also may be found by searching on the Commission's ECFS at: <http://apps.fcc.gov/ecfs/> (insert **CG Docket No. 03-123** into the Proceeding block).

To request materials in accessible formats for people with disabilities (Braille, large print, electronic files, audio format), send an email to: fcc504@fcc.gov or call the Consumer and Governmental Affairs Bureau at: (202) 418-0530 (voice) or (202) 418-0432 (TTY). This *Public Notice* can also be downloaded in Word and Portable Document Format (PDF) at: <https://www.fcc.gov/general/disability-rights-office>.

For further information regarding this *Public Notice*, contact Dana Wilson, Consumer and Governmental Affairs Bureau, Disability Rights Office, (202) 418-2247 (voice) or email: Dana.Wilson@fcc.gov.

DDTP California Relay Service Customer Log - TRS
June 1, 2018 - May 31, 2019

Date of Incident	Description	FCC Standard	Modality	Date Closed	Description of Resolution
11/01/18	CRS user left several voicemails with CPUC and stated Hamilton was unable to resolve their issues. Complaint was unclear but included details that may pertain to both possible CRS and equipment issues.	N/A	TTY	11/01/18	The complaint was referred to CTAP Customer care as Hamilton was unable to resolve the issues and customer has a history of equipment replacement. Maria Chavez in Customer Care made several attempts to reach this customer, leaving messages with both the customer and their neighbor who is an alternate contact. No further contact has been made by customer.
12/07/18	CRS VCO user stated she was frustrated that businesses disconnect her Relay calls.	N/A	VCO	12/07/18	Field Advisor documented complaint. It was also suggested the CA could be asked to introduce the Relay call, but the customer said they don't have time before the business hangs up. Customer was urged to document call details in the future, to allow for follow-up with business. Customer understood.
01/17/19	A DDTP Field Advisor reported that when on an in-home visit, they were not connected to the STS User Training Line as had requested. The STS relay operator offered to make test calls with the caller, but could not provide any training or useful information. The CA could not understand the caller and covered up their challenges by stating that the customer's voice was "breaking up". The CA was able to hear the customer's brother and the DDTP Field Advisor's voice without issue.	N/A	STS UTL	02/03/19	Hamilton acknowledged issues and implemented changes. Hamilton provided response: "Although we provide all STS CAs training materials related to STS UTL calls, we have found that the CAs involved did not have adequate practice on STS UTL. We are re-training all STS CAs on UTL calls, including practice calls, and will ensure that our training going forward includes UTL practice calls."
02/01/19	Customer complained to Field staff that a Mobile Home office she calls sometimes hangs up or her call goes to an answering machine. Field staff advised the consumer they could ask the CA to introduce her call, or they could speak directly with someone at the office. The consumer requested for a Relay representative to follow up on her behalf.	N/A		04/08/19	Hamilton outreach staff called the facility several times and finally spoke with staff on April 8th. Hamilton's representative offered training about the service and offered a training on Relay but the staff declined, stating they are familiar with it already. No further contact from consumer.
05/14/19	As part of providing training on STS to CTAP staff, attempted to call into the STS UTL, but was transferred to various call centers numerous times and placed in the queue for STS relay. After over 8 minutes of not connecting with a qualified person at the STS UTL, they could no longer wait and hung up. It was clearly established that no one at Hamilton could provide STS information and assistance and support the STS UTL. Phone number (916) 719-2559 dialed (877) 632-9095 and requested the STS training. A call placed to the STS UTL a day prior was an immediately success.	N/A	STS UTL	05/28/19	Love submitted complaint about STS UTL experience in DDTP data system. CRS staff escalated issue to CRS Account Manager. Hamilton's response: "Although we provide all STS CAs training materials related to STS UTL calls, we have found that the CAs involved in this call did not have adequate practice on STS UTL. We are re-training all STS CAs on UTL calls, including practice calls, and will ensure that our training going forward includes UTL practice calls." CRS dept. will continue to monitor situation.

DDTP California Relay Service Customer Log - CTS

June 1, 2018 - May 31, 2019

Date of Incident	Description	FCC Standard	Modality	Date Closed	Description of Resolution
07/19/18	Customer was upset that she would have to get certified for the Federal CapTel program. Getting to the doctor is very difficult for her. Customer doesn't understand why DDTP cannot communicate with the Federal Program to share certification information for the convenience of the customer.	Not Applicable	CapTel	07/27/19	DDTP contacted WCI on customer's behalf and found out that customer was already certified as an internet CapTel user back in 2014 and also had received a 840i at that time. Field Advisor followed up with customer and provided this information to her and also the contact information for WCI.

California Relay 2018 - 2019 TRS FCC Complaint Report

June 2018 - May 2019

Inquiry ID	Date of Inquiry	CA/Opr #	Call Type to CC	Call Taken By	Call Responded By	Desc of Incident	Date of Resolution	Description of Resolution	Category	Sub-Category
190410-000035	04/10/2019 02:44 PM		Voice	Tyna	Tyna	A Sergeant from a correctional facility (California Department of Corrections and Rehabilitation, CDCR, California Men's Colony) reported that an inmate was able to process a call without a billing requirement. The Sergeant understood that there is an FCC waiver for free calls but indicated that all calls from a prison facility must be billed.	05/10/2019 08:36 AM	Customer Care confirmed that the Sergeant is correct and obtained the ANI of the facility. Customer Care indicated that our Compliance Coordinator would research Call Detail Records to determine if we have a correctional facility profile in place and to determine that the facility is sending the appropriate correctional facility identification codes (ANI II digits). Compliance Coordinator determined that the facility is not sending the appropriate ANI II digits to identify the call as a correctional facility call and updated the ANI with the appropriate prison profile to require billing for all calls. Compliance Coordinator called the Sergeant and left a voicemail with this information. Compliance Coordinator will follow up once more to ensure the Sergeant understands that we have resolved this by placing a profile on the ANI and to request that the facility send the appropriate ANI II digits with each call. Compliance Coordinator provided a final follow up via voicemail to remind the Sergeant of the ANI II digit request. There has been no further contact from this facility.	General Information	Consumer Education
190411-000055	04/11/2019 06:22 PM		Voice	Mary	Mary	Customer stated they were receiving a lot of garble during the call.	04/11/2019 06:42 PM	Customer Care provided several tips for clearing garble during a call. Customer understood.	Technical Complaints	Garbling

California CapTel FCC Complaints 6/1/2018 to 5/31/019

Ticket #	Date and Time Contacted	Contact Type	Complaint Type	Agent #	Nature of Complaint	Explanation of Resolution or Status	Date Resolved	Resolution Timeframe	Rep Initials
909678	06/04/2018 08:08pm	CapTel	Info/Referral/ Consumer Ed	N/A	Customer reported seeing "speaker breaking up" on the CapTel 840.	CSR explained to customer that if they are talking with someone who speaks very quickly, who is in a noisy environment, or who has a heavy accent, they may sometimes see (Speaker Unclear) on their CapTel display. This means the CA could not hear that particular word or words clearly enough to determine what was said. CSR advised customer to simply ask the other party to repeat what they said as the CapTel CA cannot get involved to ask for clarification.	06/04/2018 06:14pm	Within 24 Hours	PY
910720	06/07/2018 02:00pm	Phone	Setup	N/A	Customer's assistant reported being unable to make and receive calls from the CapTel 840.	Investigation by CSR revealed that the customer does not have active telephone service. CSR explained that the CapTel requires active telephone service in order to be used successfully with captions.	06/07/2018 02:20pm	Within 24 Hours	CE
912192	06/12/2018 04:33pm	Phone	Setup	N/A	Customer's son reported being unable to connect to captions on the CapTel 840 in 1-Line mode.	CSR's investigation revealed that the CapTel 840 was sharing a telephone line splitter with an extension phone and that only the extension phone was receiving a dial tone. After further troubleshooting, CSR learned that the splitter being used with the CapTel was faulty and advised installing a duplex jack to allow both phones access to telephone service at the same telephone wall jack since they only have one telephone line. CSR placed test calls and confirmed that the CapTel was receiving captions successfully after the telephone cord was connected directly to the available wall jack without the use of the telephone line splitter.	06/12/2018 04:49pm	Within 24 Hours	DG
912578	06/13/2018 04:54pm	CapTel	Setup	N/A	CSR noted a drop in audio and loud buzzing when customer called using the CapTel 840 in 1-Line Mode.	CSR's investigation revealed that the customer is attempting to connect to captions using VoIP telephone service. CSR advised customer that the CapTel 840 is not designed for VoIP use and recommended obtaining an internet model CapTel that would use the internet to support the captions.	06/13/2018 05:04pm	Within 24 Hours	RN
912584	06/13/2018 05:06pm	CapTel	Info/Referral/ Consumer Ed	N/A	Customer stated that she was unable to receive captions on incoming calls placed to the CapTel 840 in 1-Line mode.	Further discussion revealed that the customer's callers may not have been dialing through the captioning service number. CSR explained that in order for the CapTel 840 to receive captions in 1-Line mode, callers must first dial through the toll-free captioning service number. CSR further explained the proper dialing procedure when placing calls through the captioning service. CSR provided customer with the appropriate captioning service number. CSR placed a test call to the CapTel 840 in 1-Line mode, and the customer confirmed they were successfully receiving captions.	06/13/2018 05:19pm	Within 24 Hours	MG
912669	06/14/2018 11:59pm	CapTel	Service	11126	Customer reporting incorrect captions.	CSR apologized and thanked the customer for bringing their experience to our attention. CSR gathered details about the call and sent call details to the appropriate supervisory staff for further follow-up with the CA who assisted with the call. The CA's supervisor met with the CA and the CA stated there they captioned what they heard verbatim including swear words. The CA's supervisor increased monitoring of this CA to ensure compliance with captioning standards.	06/18/2018 09:46am	Over 48 hours	CM
913310	06/15/2018 03:36pm	Phone	Setup	N/A	Customer's friend reported no dial tone on the CapTel 840.	CSR's investigation revealed a defective phone jack was preventing the CapTel from receiving a dial tone. CSR advised connecting the CapTel to a different phone jack in the home as well as contacting the telephone service provider for further assistance with repairing the faulty phone jack. CSR offered continued assistance upon request.	06/18/2018 12:01pm	Over 48 hours	BCS

913646	06/17/2018 12:32pm	Phone	Info/Referral/ Consumer Ed	N/A	Caller to the CapTel customer reported not being able to call them with captions.	CSR's investigation revealed that the caller to the CapTel user was not calling through the toll-free captioning service number properly. CSR provided the caller with the correct procedure for calling through the toll-free captioning service number. CSR subsequently confirmed that the customer was successfully receiving captioned calls.	06/18/2018 04:22pm	Within 48 Hours	TS
913664	06/17/2018 01:43pm	Phone	Setup	N/A	Customer's telephone technician reported caption connection problems on the CapTel 840 in 1-Line mode.	CSR's investigation revealed that the customer is attempting to connect to captions using VOIP telephone service. CSR advised customer's telephone technician that the CapTel 840 is not designed for VOIP telephone use and recommended obtaining an internet model CapTel that would use the internet to support the captions.	06/17/2018 01:53pm	Within 24 Hours	JC
914726	06/20/2018 12:46pm	CapTel	Info/Referral/ Consumer Ed	N/A	Customer reported being hung up on during a recent call.	CSR's investigation revealed the customer was hung up on due to significant delay in their response time. CSR explained the use of the signal meter during calls; also advised anticipating the other party's greeting and trying to speak sooner to avoid hang-ups.	06/20/2018 12:52pm	Within 24 Hours	TW
914914	06/20/2018 05:44pm	CapTel	Setup	N/A	The customer reported audio dropping on the CapTel 800 in 1-Line Mode.	CSR's investigation revealed that the customer is attempting to connect to captions using digital cable telephone service, which is causing the audio to be dropped. CSR advised the customer that the CapTel 800 is not designed for digital cable use and recommended obtaining an internet model CapTel that would use the internet to support the captions. CSR then referred the customer to the national distributor for further assistance with obtaining an internet model CapTel phone.	06/20/2018 05:58pm	Within 24 Hours	PZ
916635	06/26/2018 01:07pm	Phone	Setup	N/A	The customer's neighbor reported that the customer has digital cable phone lines for the CapTel 840 in 2-Line Mode.	CSR advised the customer's neighbor that the CapTel 840 is not designed for digital cable use and recommended obtaining an internet model CapTel that would use the internet to support the captions.	06/26/2018 01:43pm	Within 24 Hours	PZ
916619	06/26/2018 01:21pm	Phone	Setup	N/A	Customer's son reported the CapTel 200 could not make or receive calls with captions.	CSR's investigation revealed that the customer is attempting to connect to captions using wireless home telephone service. CSR advised customer that the CapTel 840 PLUS in Analog Mode is not designed for use with this type of service and recommended switching the CapTel to IP Mode.	06/26/2018 01:35pm	Within 24 Hours	SAB
919799	07/06/2018 06:43pm	CapTel	Setup	N/A	Customer reported captions did not appear on incoming calls on the CapTel 800.	CSR's investigation revealed that the CapTel was installed with two separate telephone lines but 2-Line mode had not been enabled in the unit's menu. CSR assisted with enabling 2-Line mode. CSR confirmed this resolved the customer's experience.	07/06/2018 06:40pm	Within 24 Hours	RG
920871	07/10/2018 04:11pm	CapTel	Info/Referral/ Consumer Ed	N/A	Customer reported that callers do not wait for her to respond and hang up while speaking on the CapTel 840.	CSR explained the use of the signal meter during calls; also advised anticipating the other party's greeting and trying to speak sooner to avoid hang-ups. 934380	08/12/2018 07:57pm	CapTel	Info/Referral/ Consumer Ed	N/A	Customer reported difficulty placing an international call using the CapTel 840 PLUS in Analog Mode and reported that homonyms were sometimes captioned incorrectly.	CSR's investigation revealed the customer does not have an international calling plan through the telephone service provider. CSR advised customer to use a calling card in order to place this international call using the CapTel. CSR additionally explained that, in order to give CapTel users privacy and full control of their call, the Captioning Assistant is not a participant in the call and thus cannot ask for clarification on the intended spelling of a word that has a homonym. CSR further sent the customer a letter reiterating this information in detail and offering additional assistance on request.	08/29/2018 03:04pm	Over 48 hours	PL
932218	08/14/2018 01:25pm	CapTel	Info/Referral/ Consumer Ed	N/A	Customer reported seeing misspelled proper names in the captions when using the CapTel 840 in 1-Line mode.	CSR explained that in order to give CapTel users privacy and full control of their call, the Captioning Assistant is not a participant in the call and thus cannot ask for clarification on the spelling of a proper name. CSR advised that the Captioning Assistant only hears the other party, so if the other party spells the name for confirmation, the Captioning Assistant will know how to spell it correctly for the duration of the call. CSR later sent the customer a letter reiterating this information and offering continued assistance upon request.	08/19/2018 09:48am	Over 48 hours	BCS
932267	08/14/2018 02:49pm	CapTel	Info/Referral/ Consumer Ed	N/A	Customer's assistant reported being unable to receive captions on incoming calls on the CapTel 800 in 1-Line mode.	CSR's investigation revealed that callers were not calling the customer through the toll-free captioning service number. CSR explained that in order for the CapTel 800 to receive captions in 1-Line mode, callers must first dial through the toll-free captioning service number. CSR further explained the proper dialing procedure when placing calls through the captioning service. CSR provided customer with the appropriate captioning service number.	08/14/2018 02:55pm	Within 24 Hours	GT
932658	08/15/2018 03:08pm	CapTel	Service	8163	Customer's assistant reported inaccurate captions on the CapTel 840 in 1-Line mode.	CSR apologized and thanked the customer for bringing their experience to our attention. CSR gathered details about the call with caption inaccuracies. After explaining how captions are produced and advising on what factors may contribute to caption inaccuracies, CSR sent call details to the appropriate supervisory staff for further follow-up with the CA who assisted with the call. The CA's supervisor increased monitoring and coaching to optimize the CA's captioning performance.	08/16/2018 07:31pm	Within 48 Hours	JAA

933156	08/16/2018 07:33pm	Phone	Setup	N/A	Customer's assistant reported the CapTel 800 in 1-Line mode intermittently losing dial tone and locking up.	CSR's investigation revealed the CapTel's power cord may be connected to a faulty electrical outlet in the home. CSR advised the customer's assistant to connect the CapTel's power cord to a different electrical outlet and to test the phone to see if it continues locking up. CSR attempted to follow up on three separate occasions but was unsuccessful. CSR sent a letter offering ongoing assistance upon their request.	08/29/2018 05:52pm	Over 48 hours	MS
933342	08/17/2018 01:09pm	CapTel	Info/Referral/Consumer Ed	N/A	State program representative inquired about the delay of captions behind the spoken word on the CapTel 840 in 1-Line mode.	CSR explained how captions are produced and that it is normal to experience a 3-5 second delay between when the other party speaks and when captions appear on the CapTel display screen. CSR explained that this delay could increase if their caller is speaking very quickly, if the CA is captioning multiple parties on the call, or if the CA needs to make typed insertions.	08/17/2018 01:16pm	Within 24 Hours	EJ
933356	08/17/2018 01:36pm	Phone	Info/Referral/Consumer Ed	N/A	Customer's assistant reported no captions for an incoming call on the CapTel 840 in 1-Line mode.	CSR's investigation revealed that the previous caller did not call through the toll-free captioning service number. CSR explained that in order for the CapTel 840 to receive captions in 1-Line mode, callers must first dial through the toll-free captioning service number. CSR further explained the proper dialing procedure when placing calls through the captioning service and provided the appropriate captioning service number.	08/17/2018 01:38pm	Within 24 Hours	ELS
934025	08/20/2018 12:31pm	CapTel	Setup	N/A	Customer reported they cannot dial out.	Investigation by CSR found that the CapTel has a mistaken dialing prefix programmed into the menu. CSR assisted the customer with removing the mistaken dialing prefix and confirmed this adjustment resolved the experience.	08/20/2018 01:01pm	Within 24 Hours	TA
934639	08/22/2018 07:05am	Phone	Info/Referral/Consumer Ed	N/A	Customer's wife reported incoming calls to the CapTel in 1-Line mode are not being captioned.	CSR explained that in order for the CapTel 800 to receive captions in 1-Line mode, callers must first dial through the toll-free captioning service number. CSR further explained the proper dialing procedure when placing calls through the captioning service. CSR provided customer with the appropriate captioning service number. The customer's wife subsequently confirmed successful captions on CSR's test call through the captioning service.	08/22/2018 07:27am	Within 24 Hours	BMc
936181	08/27/2018 12:28pm	CapTel	Info/Referral/Consumer Ed	N/A	The customer reported callers hanging up on her at the beginning of calls on the CapTel 840 in 1-Line.	CSR found that the customer was not replying until the captions appeared which caused callers to hang up the line. CSR explained the use of the signal meter during calls, also advised anticipating the other party's greeting and trying to speak sooner to avoid hang-ups. CSR offered further assistance upon request.	08/27/2018 12:39pm	Within 24 Hours	PZ

After multiple attempts to follow up with the customer, CSR sent a letter offering additional troubleshooting tips and ongoing assistance as needed.	09/25/2018 11:10am	Over 48 hours	MJR
945345	09/25/2018 04:15pm	Phone	Setup	N/A	Customer's son reported the CapTel 840 is going to be used with digital cable telephone service.	CSR advised customer's son that the CapTel 840 is not designed for digital cable use and recommended obtaining an Internet model CapTel that would use the Internet to support the captions.	09/25/2018 04:19pm	Within 24 Hours	BM
946221	09/27/2018 06:56pm	CapTel	Setup	N/A	Customer reported that there was no dial tone on the CapTel 840.	CSR's investigation revealed that the telephone service was not working on the CapTel 840 due to a telephone cord that was not plugged in securely. The customer was able to properly connect all cords to the CapTel 840 phone. CSR then confirmed that the CapTel 840 was working successfully with captions.	09/27/2018 07:27 pm	Within 24 Hours	PY
948315	10/04/2018 10:43am	CapTel	Info/Referral/ Consumer Ed	N/A	Customer inquired why there is a delay in captions when using the CapTel 800 in 1-Line mode.	CSR explained how captions are produced and that it is normal to experience a 3-5 second delay between when the other party speaks and when captions appear on the CapTel display screen. CSR explained that this delay could increase if their caller is speaking very quickly, if the CA is captioning multiple parties on the call, or if the CA needs to make typed insertions. CSR also provided customer with tips for handling moments of silence while the captions are transmitting.	10/04/2018 10:59am	Within 24 Hours	BM
948336	10/04/2018 11:00am	CapTel	Info/Referral/ Consumer Ed	N/A	Customer reported the other party hanging up on her, at the beginning of phone calls, on the CapTel 840.	CSR explained the use of the signal meter during calls; also advised anticipating the other party's greeting and trying to speak sooner to avoid hang-ups. CSR sent a letter to the customer with tips regarding signal meter use and advice about what to say to the other party on the line so they understand the customer's use of a captioning telephone.	10/04/2018 11:39am	Within 24 Hours	AS
948526	10/04/2018 03:40pm	CapTel	Setup	N/A	State equipment representative reported that the CapTel 840 in 1-Line mode had difficulty connecting with captions.	CSR's investigation revealed that the customer is attempting to connect to captions using VOIP telephone service. CSR advised customer that the CapTel 840 is not designed for VOIP telephone use and recommended obtaining an Internet model CapTel that would use the Internet to support the captions.	10/04/2018 03:52pm	Within 24 Hours	EEJ
948914	10/05/2018 02:26pm	CapTel	Setup	N/A	Customer reported difficulties making and receiving calls with captions on the CapTel 840 PLUS in Analog Mode.	CSR's investigation revealed that the customer is attempting to connect to captions using digital cable telephone service. CSR advised customer that the CapTel 840 PLUS in Analog Mode is not designed for digital cable use and recommended switching the CapTel to IP Mode.	10/05/2018 02:37pm	Within 24 Hours	RL
951632	10/12/2018 12:09pm	CapTel	Setup	N/A	The customer reported not receiving captions when her daughter calls her on the CapTel 840 in 1-Line mode.	CSR's investigation revealed that the customer is attempting to connect to captions using digital cable telephone service. CSR advised the customer that the CapTel 840 in 1-Line mode is not designed for digital cable use and recommended that the customer obtain an Internet model CapTel that would use the Internet to support the captions.	10/12/2018 06:16pm	Within 24 Hours	PZ
952635	10/15/2018 01:24pm	Phone	Setup	N/A	Customer is using the CapTel 840 on digital cable phone lines.	CSR advised customer that the CapTel 840 in 1-Line mode is not designed for digital cable use and recommended obtaining an Internet model CapTel that would use the Internet to support the captions.	10/15/2018 02:10pm	Within 24 Hours	PZ

952641	10/15/2018 03:25pm	CapTel	Setup	N/A	Customer reported that audio and captions drop on the CapTel 840 in 1-Line Mode.	CSR's investigation revealed that the customer is attempting to connect to captions using VOIP and fiber optic telephone service. CSR advised customer that the CapTel 840 is not designed for VOIP and fiber optic use and recommended obtaining an internet model CapTel that would use the internet to support the captions.	10/15/2018 03:36pm	Within 24 Hours	JLS
953637	10/17/2018 06:03pm	CapTel	Info/Referral/ Consumer Ed	N/A	The customer asked if the captionist hears her audio on the CapTel 840 PLUS in Analog Mode.	CSR explained that the captionist does not hear the customer's audio and that the captionist can only hear the other party's audio.	10/17/2018 06:07pm	Within 24 Hours	PZ
955603	10/23/2018 04:21pm	CapTel	Info/Referral/ Consumer Ed	N/A	Customer reported the other party does not hear the outbound audio coming from the CapTel 840 in 1-Line mode.	CSR's investigation revealed the outbound audio was functioning properly, but the customer was just delayed in responding to the other party when reading the captions. CSR explained the use of the signal meter during calls; also advised anticipating the other party's greeting and trying to speak sooner to avoid hang-ups.	10/23/2018 04:24pm	Within 24 Hours	BM
956301	10/25/2018 01:31pm	Phone	Setup	N/A	Customer's assistant reported not being able to dial out on the CapTel 840 in 1-Line Mode.	CSR's investigation revealed that the customer is attempting to connect to captions using VOIP telephone service. CSR advised customer that the CapTel 840 is not designed for VOIP use and recommended obtaining an internet model CapTel that would use the internet to support the captions.	10/25/2018 01:40pm	Within 24 Hours	AB
956966	10/27/2018 03:04pm	CapTel	Setup	N/A	Customer reported captions and audio drop during captioned calls on the CapTel 840 in 1-Line mode.	CSR's investigation revealed that the customer is attempting to connect to captions using digital cable telephone service. CSR advised customer that the CapTel 840 is not designed for digital cable use and recommended obtaining an internet model CapTel that would use the internet to support the captions.	10/27/2018 03:16pm	Within 24 Hours	BMc
958231	10/31/2018 12:50pm	CapTel	Setup	N/A	Customer has digital phone lines for the CapTel 840 PLUS in Analog Mode.	CSR advised the customer that the CapTel 840 PLUS in Analog Mode is not designed for digital cable use and recommended switching the CapTel to IP Mode.	10/31/2018 01:15pm	Within 24 Hours	PZ
958816	11/01/2018 07:46pm	CapTel	Info/Referral/ Consumer Ed	N/A	Customer reported seeing (Speaker Unclear) in their captions.	CSR explained to customer that if they are talking with someone who speaks very quickly, who is in a noisy environment, or who has a heavy accent, they may sometimes see (Speaker Unclear) on their CapTel display. This means the CA could not hear that particular word or words clearly enough to determine what was said. CSR advised customer to simply ask the other party to repeat what they said as the CapTel CA cannot get involved to ask for clarification.	11/01/2018 08:00pm	Within 24 Hours	SO
959683	11/02/2018 01:12pm	Email	Setup	N/A	The customer reported callers hanging up and difficulty getting captions on the CapTel 840.	CSR's investigation revealed that the customer is attempting to connect to captions using digital cable telephone service. CSR advised customer that the CapTel 840 is not designed for digital cable use and recommended obtaining an internet model CapTel that would use the internet to support the captions.	11/05/2018 05:38pm	Over 48 hours	PZ
959989	11/05/2018 07:03pm	CapTel	Setup	N/A	Customer reported consistent difficulty making and receiving captioned calls on the CapTel 840 in 1-Line Mode.	CSR's investigation revealed that the customer is attempting to connect to captions using digital telephone service. CSR advised customer that the CapTel 840 is not designed for digital telephone service use and recommended obtaining an internet model CapTel that would use the internet to support the captions.	11/05/2018 07:20pm	Within 24 Hours	RN
961624	11/10/2018 02:32pm	CapTel	Setup	N/A	Customer's assistant reported no inbound audio on the CapTel 840 in 1-Line mode.	CSR attempted to provide over the phone troubleshooting assistance, but due to the audio dropping, customer's assistant advised they would have the customer's daughter call back later to troubleshoot. CSR later followed up with the customer's daughter who confirmed she had replaced the curly cord in the handset and the phone is now working properly.	11/13/2018 01:48pm	Over 48 hours	BCS

963755	11/16/2018 05:22pm	Phone	Setup	N/A	Customer reported that the CapTel 840 will no longer connect with captions.	CSR's investigation revealed that the customer is attempting to connect to captions using digital cable telephone service. CSR advised customer that the CapTel 840 is not designed for digital cable use and recommended an Internet model CapTel that would use the Internet to support the captions. CSR referred the customer to the national distributor to start the process in obtaining a Internet model CapTel phone.	11/16/2018 05:30pm	Within 24 Hours	BUB
963838	11/17/2018 10:25am	CapTel	Setup	N/A	Customer inquired about using the CapTel 840 on a digital or VOIP phone line.	CSR's investigation revealed that the customer is attempting to connect to captions using VOIP or digital cable telephone service. CSR advised customer that the CapTel 840 is not designed for VOIP or digital cable use and recommended obtaining an Internet model CapTel that would use the Internet to support the captions.	11/17/2018 10:52am	Within 24 Hours	HL
966294	11/27/2018 02:53pm	CapTel	Info/Referral/ Consumer Ed	N/A	Customer reported not receiving captions on an incoming call on the CapTel 840 PLUS in Analog Mode.	CSR explained that in order for the CapTel 840 PLUS in Analog Mode to receive captions, callers must first dial through the toll-free captioning service number. CSR further explained the proper dialing procedure when placing calls through the captioning service. CSR provided customer with the appropriate captioning service number.	11/27/2018 03:17pm	Within 24 Hours	BCS
967120	11/29/2018 03:55pm	CapTel	Setup	N/A	While assisting in another matter, CSR noted that the call audio periodically drops and captions temporarily halt with speaking on the CapTel 840 PLUS in Analog Mode.	CSR's investigation revealed that the CapTel was being used with digital cable telephone service. CSR explained that the CapTel 840 PLUS is not designed for use with digital cable telephone service while in Analog Mode, and recommended obtaining Internet service and switching the CapTel to Internet mode.	11/29/2018 03:59pm	Within 24 Hours	RN
967926	12/03/2018 10:28am	Phone	Setup	N/A	Customer's assistant reported that they did not have a dial tone on the CapTel 840.	CSR's investigation revealed that the customer was in the middle of switching from one telephone service provider to another. CSR advised a technician for the customer's telephone service provider to connect the CapTel to their new telephone service. Upon follow up, customer indicated that the telephone service transfer was still in progress and opted to call CapTel Customer Service should further troubleshooting assistance be needed after the transfer.	12/13/2018 04:49pm	Over 48 hours	TS
967955	12/03/2018 11:07am	CapTel	Setup	N/A	Customer reported being unable to connect to captions on the CapTel 800 in 2-line mode.	CSR's investigation revealed that the CapTel had become disconnected from the second phone line. CSR advised customer's wife to reconnect the CapTel's second phone line. Customer's wife confirmed the CapTel is now able to connect to captions.	12/03/2018 11:22am	Within 24 Hours	CF
968891	12/05/2018 05:54pm	Phone	Setup	N/A	Customer's daughter reported that the customer is using VOIP telephone service to connect to captions on the CapTel 840 in 1-Line Mode.	CSR advised customer's assistant that the CapTel 840 is not designed for VOIP use and recommended obtaining an Internet model CapTel that would use the Internet to support the captions.	12/05/2018 06:30pm	Within 24 Hours	MR

970337	12/10/2018 04:13pm	Phone	Setup	N/A	Customer's brother reported that they couldn't place or receive captioned calls on the CapTel 840 in 1-Line mode.	CSR's investigation revealed that the customer is attempting to connect to captions using digital cable telephone service. CSR advised customer that the CapTel 840 is not designed for digital cable telephone service use and recommended obtaining an internet model CapTel that would use the internet to support the captions. CSR recommended contacting the state program to return the CapTel 840 and inquire about obtaining an internet model CapTel phone.	12/10/2018 04:37pm	Within 24 Hours	ES
970937	12/12/2018 12:15pm	CapTel	Setup	N/A	Customer reported outbound audio dropping, sometimes, on the CapTel 840 in 1-Line mode.	CSR's investigation revealed that the customer is attempting to connect to captions using VOIP and fiber optic telephone service. CSR advised customer, through a letter, that the CapTel 840 is not designed for VOIP and fiber optic use and recommended obtaining an internet model CapTel that would use the internet to support the captions.	12/19/2018 02:40pm	Over 48 hours	AS
971389	12/13/2018 03:00pm	CapTel	Setup	N/A	Customer's daughter reported buzzing and difficulty connecting to captions on the CapTel 840 in 1-Line mode.	CSR's investigation revealed that the CapTel was installed using a faulty phone cord. CSR advised replacing the CapTel's phone cord. Customer subsequently confirmed that since replacing the CapTel's phone cord, the CapTel has been successfully connecting to captions and the buzzing is gone.	12/18/2018 11:30am	Over 48 hours	CR
976009	01/02/2019 12:35pm	Phone	Info/Referral/ Consumer Ed	N/A	Customer's assistant reported difficulty placing outgoing calls on the CapTel 840 in 1-line mode.	CSR's investigation revealed that the caller was first calling the toll-free captioning service number. CSR advised customer's assistant that in order to place an outgoing captioned call on the CapTel 840 in 1-Line mode, the CapTel user must first make certain the CAPTIONS button is lit prior to dialing, and then simply dial the phone number they would like to call.	01/02/2019 12:47pm	Within 24 Hours	AB
976506	01/03/2019 02:09pm	CapTel	Setup	N/A	While assisting with setup, CSR confirmed the customer is utilizing a digital phone service with the CapTel 840 in 1-Line Mode.	CSR advised customer that the CapTel 840 is not designed for digital cable use and recommended obtaining an internet model CapTel that would use the internet to support the captions.	01/03/2019 02:15pm	Within 24 Hours	RL
976784	01/04/2019 12:23pm	Phone	Setup	N/A	Customer reported the CapTel 840 had no dial tone and was insistent upon a home visit.	After offering initial troubleshooting assistance, CSR facilitated a conference call between customer and the state issuing agency. State issuing agency subsequently approved a home visit for the customer or advised customer to take the phone to a local service center for testing.	01/04/2019 01:05pm	Within 24 Hours	MMo
978312	01/09/2019 01:40pm	CapTel	Setup	N/A	Customer reported the CapTel 840 will make a noise and shut itself off.	CSR's investigation revealed that the customer is attempting to connect to captions using digital cable telephone service. CSR advised customer that the CapTel 840 is not designed for digital cable usage and recommended obtaining an internet model CapTel that would use the internet to support the captions. CSR sent customer further technical information via email and offered ongoing assistance.	01/09/2019 04:38pm	Within 24 Hours	MMo
978290	01/09/2019 02:03pm	CapTel	Setup	N/A	Customer reported that he cannot dial out with captions on the CapTel 840 and reaches a busy signal.	CSR offered to place an inbound captioned call to the phone to check the settings since CSR was unable to speak with customer/family member on another phone, located near the CapTel. Since the inbound call attempt was not successful, CSR provided customer with verbal and written instructions for checking the Dialing Prefix and Block Call Waiting menu settings to resolve the issue. Upon follow-up, customer stated that customer would do this in the near future and reported they would contact us if further assistance with the CapTel phone is needed.	01/10/2019 02:56pm	Within 48 Hours	MMo

978341	01/09/2019 02:46pm	CapTel	Info/Referral/ Consumer Ed	N/A	Customer's husband reported calls are not connecting through the captioning service on the CapTel 840 PLUS in Analog Mode.	CSR's investigation revealed the callers were not properly dialing through the toll-free captioning service number. CSR explained the proper dialing procedure when placing calls through the captioning service. The customer's husband subsequently confirmed that his wife had successfully received a captioned call using the instructions provided.	01/09/2019 03:20pm	Within 24 Hours	JN
981106	01/09/2019 03:05pm	Phone	Setup	N/A	Customer reported that the CapTel 840 PLUS in Analog Mode was not connecting with captions.	CSR's investigation revealed that the customer is attempting to connect to captions using digital lines. CSR advised customer that the CapTel 840 PLUS in Analog Mode is not designed for digital use and recommended switching the CapTel to IP Mode. As CSR's attempts to follow up with the customer were unsuccessful, CSR sent customer a letter with information on how to contact the California Telephone Access Program to assist with switching the 840 PLUS in Analog Mode to IP Mode.	01/22/2019 03:42pm	Over 48 hours	BJB
978756	01/10/2019 04:00pm	CapTel	Setup	N/A	CSR noticed being unable to reach the customer on the CapTel 840 PLUS in Analog Mode when dialing through the Captioning Service.	Upon subsequent follow-up, CSR discovered there was static present on the customer's phone line. Customer reported having no difficulty using the CapTel, however, and opted to continue using the CapTel as is. CSR sent customer a letter providing instructions for troubleshooting the setup and for contacting the telephone service provider to address the static that is present on the line.	01/15/2019 11:51am	Over 48 hours	BM
980027	01/15/2019 02:08pm	Phone	Info/Referral/ Consumer Ed	N/A	Customer's caretaker reported no captions when she placed an incoming call to the customer's CapTel 840 in 1-Line mode.	CSR explained that in order for the CapTel 840 to receive captions in 1-Line mode, callers must first dial through the toll-free captioning service number. CSR further explained the proper dialing procedure when placing calls through the captioning service. CSR provided customer with the appropriate captioning service number.	01/15/2019 02:17pm	Within 24 Hours	SO
980271	01/16/2019 10:48am	CapTel	Setup	N/A	Customer reported she is unable to make outbound captioned calls from the CapTel 840 in 1-Line mode.	CSR's troubleshooting revealed that the CapTel phone was mistakenly programmed for 2-Line mode when the customer uses one telephone line. CSR assisted the customer with disabling 2-Line mode in the menu of the CapTel phone and confirmed this resolved the customer's experience.	01/16/2019 11:18am	Within 24 Hours	BMc
980731	01/17/2019 01:40pm	CapTel	Setup	N/A	Customer's daughter reported garbled captions on the CapTel 840 PLUS in Analog mode.	CSR found the customer's daughter called from another location. CSR discussed with customer's daughter that the phone line may not support the data connection it needs and discussed the possibility of obtaining Internet to have the phone switched to IP mode. Customer's daughter subsequently reported they will contact the state issuing agency to see about a possible home visit.	01/17/2019 01:52pm	Within 24 Hours	MP
980836	01/17/2019 04:44pm	CapTel	Info/Referral/ Consumer Ed	N/A	Customer's assistant reported no captions on the CapTel 840 in 1-Line Mode.	CSR explained that in order for the CapTel 840 to receive captions in 1-Line mode, callers must first dial through the toll-free captioning service number. CSR further explained the proper dialing procedure when placing calls through the captioning service. CSR provided customer's assistant with the appropriate captioning service number.	01/17/2019 04:53pm	Within 24 Hours	SS
981013	01/18/2019 12:29pm	CapTel	Setup	N/A	A state program representative reported being unable to call out with captions on the CapTel 840 PLUS in Analog Mode.	Investigation by CSR found that the CapTel has a mistaken dialing prefix programmed into the menu. CSR assisted the representative with removing the mistaken dialing prefix and confirmed this adjustment resolved the experience.	01/18/2019 12:40pm	Within 24 Hours	CF

983102	01/25/2019 11:11am	CapTel	Setup	N/A	A state program representative reported that the CapTel receives captions on incoming calls, but not on outbound calls.	CSR's investigation revealed that the customer is attempting to connect to captions using digital cable telephone service. CSR advised customer that the CapTel 840 is not designed for digital cable use and recommended obtaining an Internet model CapTel that would use the Internet to support the captions.	01/25/2019 11:23am	Within 24 Hours	PZ
983285	01/25/2019 05:50pm	CapTel	Info/Referral/ Consumer Ed	N/A	Customer reported not receiving captions on an incoming call placed to the CapTel 840 PLUS in Analog Mode.	CSR's investigation revealed that the business that called the customer was unaware they needed to dial the toll-free captioning service number before calling the customer. CSR explained that in order for the CapTel 840 PLUS to receive captions on incoming calls in Analog Mode, callers must first dial through the toll-free captioning service number. CSR further explained the proper dialing procedure when placing calls through the captioning service. CSR provided customer with the appropriate captioning service number. CSR placed a test call, and the customer confirmed they were receiving captions successfully on the CapTel 840 PLUS in Analog Mode.	01/25/2019 06:05pm	Within 24 Hours	RG
984298	01/29/2019 03:15pm	CapTel	Info/Referral/ Consumer Ed	N/A	Customer reported not getting captions during incoming calls on the CapTel 840 in 1-Line mode.	CSR's investigation revealed that callers weren't dialing the toll-free caption service number. CSR explained that in order for the CapTel 840 to receive captions in 1-Line mode, callers must first dial through the toll-free captioning service number. CSR further explained the proper dialing procedure when placing calls through the captioning service. CSR provided customer with the appropriate captioning service number.	01/29/2019 03:33pm	Within 24 Hours	CR
984317	01/29/2019 03:43pm	CapTel	Info/Referral/ Consumer Ed	N/A	Customer reported not receiving captions on incoming calls on the CapTel 840 PLUS in Analog Mode.	CSR found that callers were not calling through the toll-free captioning service number before dialing the customer's phone number. CSR explained that in order for the CapTel 840 to receive captions in Analog Mode, callers must first dial through the toll-free captioning service number.	01/29/2019 04:04pm	Within 24 Hours	EDS
985139	02/01/2019 10:17am	Phone	Setup	N/A	Customer's daughter reported customer has garbled captions on the CapTel 840 PLUS in analog mode.	CSR's investigation revealed that the customer is attempting to connect to captions using fiber optic telephone service. CSR advised customer that the CapTel 840 PLUS in Analog Mode is not designed for fiber optic usage and recommended switching the CapTel to IP Mode. Customer's daughter reported they would contact us if further assistance is needed.	02/08/2019 05:34pm	Over 48 hours	MMo
985504	02/02/2019 02:56pm	CapTel	Info/Referral/ Consumer Ed	N/A	Customer reported being hung up on during a recent call to her daughter-in-law on the CapTel 840.	CSR explained the use of the signal meter during calls; also advised anticipating the other party's greeting and trying to speak sooner to avoid hang-ups.	02/02/2019 03:03pm	Within 24 Hours	PFM
986060	02/04/2019 08:24pm	CapTel	Info/Referral/ Consumer Ed	N/A	Customer reported seeing unusual names of places misspelled in the captions while using the CapTel 840 PLUS in Analog Mode.	CSR explained that in order to give CapTel users privacy and full control of their call, the Captioning Assistant is not a participant in the call and thus cannot ask for clarification on the spelling of a proper name. CSR advised that the Captioning Assistant only hears the other party, so if the other party spells the name for confirmation, the Captioning Assistant will know how to spell it correctly for the duration of the call.	02/04/2019 08:35pm	Within 24 Hours	SB
995958	03/08/2019 08:34pm	Phone	Setup	N/A	Customer's reported no dial tone on the CapTel 840 in 1-Line mode.	CSR's investigation revealed that the active phone line was connected to the Line 2 port instead of Line 1 port on the back of the CapTel. CSR advised connecting the telephone cord to the Line 1 port. CSR then placed test call. Customer's daughter confirmed that the dial tone was restored and that they were able to receive calls successfully on the CapTel 840.	03/08/2019 09:21pm	Within 24 Hours	LA

995962	03/08/2019 09:25pm	Phone	Setup	N/A	Customer's daughter reported being unable to connect to captions on the CapTel 840 in 1-Line mode.	CSR's investigation determined that the customer is attempting to connect to captions using fiber optic telephone service. CSR advised customer that the CapTel 840 is not designed for fiber optic use and recommended obtaining an Internet model CapTel that would use the internet to support the captions.	03/08/2019 09:47pm	Within 24 Hours	LA
996134	03/09/2019 07:49pm	Phone	Setup	N/A	Customer's son reported that the CapTel 840 PLUS in Analog mode was not working as intended.	CSR's investigation revealed that the CapTel 840 in Analog mode is attempting to connect to captions using VOIP telephone service. CSR advised customer that the CapTel 840 PLUS in Analog Mode is not designed for VOIP use and recommended switching the CapTel to IP Mode or replacing the phone with an Internet model.	03/09/2019 08:25pm	Within 24 Hours	MTth
997299	03/13/2019 03:03pm	Phone	Setup	N/A	Customer reported the CapTel 840 PLUS was not getting phone service.	At the time of the initial call, discussion suggested the customer's telephone jack was damaged. CSR subsequently advised the customer to contact the telephone service provider for further assistance with restoring service. CSR subsequently confirmed the CapTel is connecting to phone calls with captions successfully.	03/14/2019 11:37am	Within 24 Hours	AK
999647	03/21/2019 10:47am	CapTel	Setup	N/A	Customer's daughter reported frequent difficulties connecting to captions on the CapTel 840 in 1-Line mode.	CSR's investigation revealed that the CapTel's phone cord may have become faulty. CSR advised replacing the CapTel's phone cord. As CSR's repeated attempts to follow-up with customer were unsuccessful, a letter was sent reiterating the advice given and offering further assistance as needed.	03/29/2019 01:17pm	Over 48 hours	CR
1001444	03/27/2019 10:34am	CapTel	Setup	N/A	Customer's assistant reported the CapTel 840 PLUS in Analog Mode is being used with digital cable phone lines.	CSR advised customer that the CapTel 840 PLUS in Analog Mode is not designed for digital cable use and recommended switching the CapTel to IP Mode and acquiring Internet service.	03/27/2019 10:40am	Within 24 Hours	CR
1001653	03/27/2019 03:53pm	Phone	Setup	N/A	Customer's wife reported no dial tone on the CapTel 840 in 1-Line Mode.	CSR's investigation revealed the phone cord connection was loose. CSR advised making sure the connections were secure. Customer confirmed the CapTel successfully connected with captions.	03/27/2019 04:37pm	Within 24 Hours	TJ
1007806	04/17/2019 02:48pm	Mail	Setup	N/A	Customer reported occasional dropped calls while speaking on the CapTel 840 PLUS.	CSR's investigation revealed that the customer is attempting to connect to captions using broadband telephone service. After multiple unsuccessful attempts to follow up, CSR sent a letter advising customer the CapTel 840 PLUS in Analog Mode is designed for a traditional analog service. CSR recommended switching the CapTel to IP Mode.	04/27/2019 05:28pm	Over 48 hours	DG
1009994	04/25/2019 11:40am	Phone	Setup	N/A	Customer reported being unable to connect the CapTel 840 to power.	CSR attempted to troubleshoot, however, customer was unable to communicate without captions. CSR contacted the state issuing agency and confirmed they would contact the customer to schedule an on-site visit. CSR attempted to reach the customer by phone but was unsuccessful. CSR sent customer a letter advising that the state issuing agency would be contacting them to schedule an on-site visit and offering ongoing assistance upon request.	05/03/2019 10:48am	Over 48 hours	JB
1011141	04/29/2019 05:47pm	CapTel	Setup	N/A	Customer's telephone technician reported the customer has VOIP telephone service.	CSR advised the technician that the CapTel 840 is not designed for VOIP telephone service and recommended obtaining an Internet model CapTel that would use the internet to support the captions.	04/29/2019 06:10pm	Within 24 Hours	JC

1012287	05/03/2019 12:22pm	CapTel	Setup	N/A	Customer reported broken up audio and captions while speaking on the CapTel 840 in 1-line mode.	CSR's investigation revealed that the customer is attempting to connect to captions using digital cable telephone service. CSR advised customer that the CapTel 840 is not designed for digital cable telephone service use and recommended obtaining an Internet model CapTel that would use the Internet to support the captions.	05/08/2019 04:34pm	Over 48 hours	CF
1015274	05/13/2019 06:00pm	Phone	Setup	N/A	Customer's assistant reported garbled captions on the CapTel 840 PLUS in Analog mode.	CSR's investigation revealed that the CapTel's phone cord plugs into an extension phone, which then plugs into a nearby phone jack. CSR advised customer's assistant that the CapTel's phone cord should be plugged directly into a phone jack. The customer's assistant did not feel comfortable troubleshooting any further, and requested on-site assistance with investigating the CapTel's setup further. CSR arranged for the state program to make a home visit to adjust the setup. Upon follow up, the customer's assistant stated that she is working with the state program to arrange an appointment for on-site assistance, and she requires no further follow up from CapTel Customer Service.	05/17/2019 01:26pm	Over 48 hours	CF
1018475	05/24/2019 02:03pm	CapTel	Setup	N/A	Customer reported occasional dropped audio and dropped calls while speaking on the CapTel 840 PLUS in PSTN mode.	CSR's investigation revealed that the customer is attempting to connect to captions using digital cable telephone service. CSR advised customer that the CapTel 840 PLUS in Analog Mode is not designed for digital cable use and recommended switching the CapTel to IP Mode. The customer subsequently stated she will contact her telephone service provider to obtain further information on Internet service options.	05/24/2019 02:20pm	Within 24 Hours	BMC
1018812	05/26/2019 01:01pm	CapTel	Service	N/A	Customer reported general feedback regarding inaccurate captions during calls on the CapTel 840.	CSR apologized and thanked the customer for bringing their experience to our attention. CSR attempted to gather details about any specific calls with caption inaccuracies but the customer was unable to provide further information. CSR recommended the customer take note of the date, time, and CA# of any future calls where caption inaccuracies are experienced so that we may take specific action with the CA captioning the call. After CSR's attempt to follow-up by phone was unsuccessful, a letter was sent offering troubleshooting tips and further assistance as needed.	05/28/2019 03:57pm	Over 48 hours	AB
