**PETITION OF ELECTRA TELEPHONE COMPANY, INC. FOR LIMITED WAIVER
OF SECTION 54.313(f)(2)(ii)**

COMES NOW Electra Telephone Company, Inc. (the “Electra”) (Study Area Code 442069) pursuant to Section 1.3 of the Federal Communications Commission’s (“FCC” or “Commission”) Rules¹ to request a limited waiver of the requirement specified in Section 54.313(f)(2)(ii).² This rule requires privately held rate-of-return carriers that are not recipients of loans from the Rural Utilities Service (“RUS”) whose financial statements are audited in the ordinary course of business to file a copy of their audited financial statements with their eligible telecommunications carrier (“ETC”) Annual Report (otherwise known as the “Form 481”).³ Electra would show as follows:

I. Introduction

On or about September 25, 2018, Hilliary Acquisition Corp, Texas, LLC (“HACT”) entered into a Stock Purchase Agreement with Townes Tele-Communications, Inc. (“Sellers”) to purchase Electra.⁴ The purchase price was paid and the transaction was closed on December 30, 2019. Since that time, Electra,

² 47 C.F.R. § 54.313(f)(2)(ii).

³ *Id.* Alternatively, the carrier may file “a financial report in a format comparable to RUS Operating Report for Telecommunications Borrowers, accompanied by a copy of a management letter issued by the independent certified public accountant that performed the company’s financial audit.”

⁴ *Domestic Section 214 Applications Filed for the Transfer of Control of Tatem Telephone Company, Inc. and Electra Telephone Company, Inc. to Hilliary Acquisition Corp. Texas, LLC*, WC Docket Nos. 18-301 and 18-302, Public Notice, 33 FCC Rcd 10108 (2018).

under new ownership, has worked diligently to complete all regulatory approvals and obtain all information necessary to complete all regulatory filings moving forward, including the Form 481. With the exception of the audited financial statements, for which a limited waiver is sought herein, Electra is timely filing its Form 481. Alternatively, Electra is providing unaudited financial statements as a part of the Form 481 filing that it will supplement as soon as the audited statement become available. This request is not based merely on the delay of a third-party under control of Electra; rather, it is based on special circumstances beyond Electra's control that are preventing it from filing full audited financial statements by the deadline.

II. Waiver Request and Good Cause

Generally, the Commission's rules may be waived for good cause shown.⁵ Furthermore, the Commission may exercise its discretion to waive a rule where the particular facts make strict compliance inconsistent with the public interest.⁶ The FCC has also previously granted similar limited waivers when the ETC had "demonstrated special circumstances beyond its control that preclude[d] it from filing a full and complete audited financial statement by the ... deadline."⁷

Here, Electra can show special circumstances beyond its control such that a requirement of strict compliance would be inconsistent with the public interest. Specifically, Electra has yet to receive the necessary documentation from the prior owners to satisfy various financial, audit, and tax reporting obligations. HACT was assured as a part of the purchase agreement with sellers as follows:

5.5 Further Assurances. Each Party agrees to take such further actions and execute and deliver such further documents after the Closing Date as may reasonably be requested by any other Party to (a) vest more fully in the Buyer all right, title, and interest in into the Shares (b) vest more fully in the Shareholder all right, title, and interest in into the Excluded Assets and (c) otherwise consummate or perfect the transactions contemplated hereby. Furthermore, from an after the closing date, each party shall cooperate fully as in to the extent reasonably requested by any other party, and at the expense of such other party, in connection with any third-party litigation, tax audit, or other proceeding or matter relating to events occurring or circumstances existing prior to the closing date.

⁵ 47 C.F.R. § 1.3.

⁶ *Northeast Cellular Telephone Co. v. FCC*, 897 F.2d 1164, 166(D.C. Cir. 1990) (Northeast Cellular).

⁷ *See Connect America Fund*, Order, 30 FCC Rcd 7100,7101, para. 4-5 (WCB 2015)(*Comporium Waiver Order*).

Since the closing date, Electra under its new ownership has worked diligently to obtain all necessary records and documents to meet financial, audit, and other obligations, but has been unable to do so. Although HACT is the rightful owner of all books and records of Electra, sellers continue to fail to turn over such documents. Thus, despite numerous and regular phone conferences and e-mails between January 2019 and mid-June 2019, the responses by the sellers to HACT's requests for the books and records of Electra remain insufficient to meet obligations, including to complete the financial audits. As a result of this continual failure, a lawsuit for breach of contract has been filed in Comanche County Oklahoma.⁸ Specific performance, including delivery of the necessary documentation and books of Electra, are sought in the lawsuit.

Due to these circumstances beyond its control, Electra requests a limited waiver of the requirement to provide audited financial statements by the July 1 deadline. Until it receives the necessary documentation from sellers, the audits cannot be completed. Electra requests a limited 90-day waiver, and is providing draft financial statements with its Form 481. Should the lawsuit to receive the necessary documentation from Sellers not be resolved prior to the expiration of the limited waiver, Electra would provide the FCC with an update and seek an additional waiver. Such a limited waiver would further the public interest as strict compliance with this rule could result in Electra having its high cost universal service support reduced on a pro-rata daily basis equivalent to the period of non-compliance,⁹ an unjust penalty under the factual circumstances of this case.

III. Conclusion

Electra respectfully asks for a limited waiver of 90 days from the requirements of Section 54.313(f)(2)(ii). Due to special circumstances beyond its control, Electra is unable to provide audited financial statements as a part of the Form 481 filing by the July 1, 2019 deadline. Due to the factual circumstances set forth above, the public interest would be served by the granting of a limited waiver, and

⁹ See 47. C.F.R. § 54.313(j).

Electra will update its filing with complete audited financials as soon as available to come into full compliance with the rule.
