**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic over AT&T because I got a better deal and better service. This was only possible because of competition.

So save the competition. Do not let the large Telephone Companies get a strangle hold on the market like happened in the past to the extent that it was broken up. The Big Ones just play the game of raising prices, and they are only interested in cutting of smaller firms in order to control the "large" markets, not in serving everyone who needs it to facilitate their personal lives, conduct their businesses, serves the public in numerous ways.
