I certify that all bids submitted were carefully considered and the most cost-effective service offering was selected, with price being the primary factor considered, and is the most cost-effective means of meeting educational needs and technology goals.

I certify that the entity responsible for selecting the service provider(s) has reviewed all applicable FCC, state, and local procurement/competitive bidding requirements and that the entity or entities listed on this application have complied with them.

I certify that the services the applicant purchases at discounts provided by 47 U.S.C. § 254 will be used primarily for educational purposes, see 47 C.F.R. § 54.500 and will not be sold, resold or transferred in consideration for money or any other thing of value, except as permitted by the Commission's rules at 47 C.F.R. § 54.513. Additionally, I certify that the entity or entities listed on this application have not received anything of value or a promise of anything of value, as prohibited by the Commission's rules at 47 C.F.R. § 54.503(d), other than services and equipment sought by means of this form, from the service provider, or any representative or agent thereof or any consultant in connection with this request for services.

There are signed contracts or other legally binding agreements covering all of the services listed on this FCC Form 471 except for those services provided under non-contracted tariffed or month-to-month arrangements. I acknowledge that failure to comply with program rules could result in civil or criminal prosecution by the appropriate law enforcement authorities.

I certify that I am authorized to order telecommunications and other supported services for the eligible entity(ies) listed on this application. I certify that I am authorized to submit this request on behalf of the eligible entity(ies) listed on this application, that I have examined this request, that all of the information on this form is true and correct to the best of my knowledge, that the entities that are receiving discounts pursuant to this application have complied with the terms, conditions and purposes of the program, that no kickbacks were paid to anyone and that false statements on this form can be punished by fine or forfeiture under the Communications Act, 47 U.S.C. §§ 502, 503(b), or fine or imprisonment under Title 18 of the United States Code, 18 U.S.C. § 1001 and civil violations of the False Claims Act.

I acknowledge that FCC rules provide that persons who have been convicted of criminal violations or held civilly liable for certain acts arising from their participation in the schools and libraries support mechanism are subject to suspension and debarment from the program. I will institute reasonable measures to be informed, and will notify USAC should I be informed or become aware that I or any of the entities listed on this application, or any person associated in any way with my entity and/or the entities listed on this application, is convicted of a criminal violation or held civilly liable for acts arising from their participation in the schools and libraries support mechanism.

I certify that if any of the Funding Requests on this FCC Form 471 are for discounts for products or services that contain both eligible and ineligible components, that I have allocated the eligible and ineligible components as required by the Commission's rules at 47 C.F.R. § 54.504.

EXHIBIT B

CONDITIONAL PURCHASE AGREEMENT

This Conditional Purchase Agreement (hereinafter, the "Agreement") is entered into this 04/19/2017 between **Oakland Schools** ("Buyer"), whose address is **2111 Pontiac Lake Road, Waterford, MI 48328** and CDW Government LLC ("Seller") whose address is **230 N. Milwaukee Avenue, Vernon Hills, IL 60061**.

RECITALS:

- A. Whereas, "Buyer" is applying for certain federal funding from the Schools and Library Division (SLD) of the Universal Service Administration Corporation (USAC), a nonprofit corporation, for the Universal Service Fund E-Rate Program FY17 (2017-18) discounts ("E-Rate Funding") to enable it to purchase **FIREWALLSS** for its school district;
- B. Whereas, "Seller" is a distributor of the **FIREWALLS** listed in a Proposal, dated 04/13/2017, (**Exhibit A**, "Seller's Proposal") that it issued to "Buyer";
- C. Whereas, "Buyer" would like to purchase **FIREWALLS** listed in "Seller's Proposal", **if** the "Buyer" receives E-Rate Funding to assist with the purchase of said **FIREWALLS**.
- D. Whereas, the "Buyer" and "Seller" wish to memorialize the terms of their Agreement, which is conditional upon the "Buyer" receiving E-Rate Funding.

NOW, THEREFORE, for and in consideration of the foregoing Recitals, the mutual covenants set forth below and other good and valuable consideration, the receipt and sufficiency of which are acknowledged, "Buyer" and "Seller" agree as follows:

1. Conditional Agreement Contingent Upon E-Rate Funding

This is a Conditional Agreement and the obligations of either party as set forth herein are entirely conditional upon "Seller" receiving written notification in the form of a Funding Commitment Decision Letter from the SLD-USAC that "Buyer" has been approved for E-Rate Funding. Also, if "Buyer" receives less than the full E-Rate Funding for which it applies, the "Buyer" has the unrestricted right to reduce the number of units and services in "Seller's Proposal" that "Buyer" purchases. In the event that E-Rate Funding is not available for the attached Proposal, "Buyer", in its discretion, may cancel and/or modify this Agreement.

2. Items and Services To Be Purchased

If "Buyer" receives written notification that it has been approved for full E-Rate Funding for which it applied, "Buyer" agrees to purchase from the "Seller" **FIREWALLS** at the stated/quoted price(s) for each unit(s) listed in "Seller's Proposal". As stated above, "Buyer" has the unrestricted right to reduce the number of units and services in Proposal that it purchases, if "Buyer" receives less than the full E-Rate Funding for which it applies. In such event, "Buyer" will receive less than the full E-Rate Funding for which it applied, and thus, the scope of work will change and consequently, "Buyer" may only be able to purchase a portion of the items and services on "Seller's Proposal" in order to meet budget requirements.

3. **Variations From Specifications**

If "Buyer" reduces the amount or quantity of units and services it purchases, the unit pricing, as specified in "Seller's Proposal", will remain the same. "Seller" shall notify "Buyer" in writing of any manufacturer substitutions in the original "Seller's Proposal" prior to delivery and installation.

4. **Product and Services Delivery and Installation**

"Seller" agrees that in no event will orders be placed by "Seller" until after it receives a Funding Commitment Decision Letter. In the event the Funding Commitment Decision Letter states that "Buyer" receives less than the full E-Rate Funding, "Seller" agrees that no orders will be placed until "Buyer" has confirmed in writing the number of units and services it wishes to purchase. Lead times for product delivery and installation are to be quoted by "Seller" to "Buyer" upon receipt of the FCDL by the "Seller". "Seller" agrees to have delivery and installations completed by September 30th of the relevant funding year.

5. **Tender Of Payment**

Upon receipt of the Funding Commitment Decision Letter from the SLD-USAC, "Buyer" shall issue a purchase order for the non-discounted portion in excess of the E-Rate Funding promised by the SLD-USAC. The "Seller" shall be responsible for obtaining from the SLD-USAC the E-Rate Funding promised in the Funding Commitment Decision Letter. "Seller" shall invoice the SLD-USAC within 120 days after the delivery and installations are completed. In no event shall the total purchase price exceed the "Seller's Proposal" price.
