RE: Comments 4.9 GHz Proceeding  
Docket No. 07-100

Dear Commissioners,

The emergency response agencies depend heavily on the 4.9 GHz spectrum to maintain a reliable high quality connection between our dispatch center and all of our outlying facilities. We find the 4.9 spectrum to be quiet efficient for our applications in Lauderdale County. We have used our system for many years and desire to continue.

Sincerely,

A handwritten signature in black ink, appearing to be 'Steve Pierce', with a long horizontal line extending to the right.

Steve Pierce  
911 Board Chairman
