Re: *MVDDS 5G Coalition Petition for Rulemaking to Permit MVDDS Use of the 12.2-12.7 GHz Band for Two-Way Mobile Broadband Service, RM-11768.*

Dear Ms. Dortch:

On July 7, 2020, V. Noah Campbell and Harold Furchtgott-Roth, representing RS Access, LLC, spoke with Umair Javed, Legal Advisor to Commissioner Rosenworcel. Mr. Campbell and Mr. Furchtgott-Roth updated Mr. Javed on recent developments in the 12.2-12.7 GHz band (“12 GHz band”) and encouraged the Commission to issue a Notice of Proposed Rulemaking that would reform the technical constraints prohibiting 5G deployment in the 12 GHz band.¹

Please let me know if you have any questions.

Sincerely,

/s/ Trey Hanbury
