**Re: Verizon Public Notice of Network Change(s), 47 C.F.R §§51.325–51.335**  
**REFILED Copper Retirement ID No. 2018-01-A-VA**

Dear Ms. Dortch:

With this notice Verizon withdraws its March 9, 2018 Public Notice of Copper Retirement under rule 51.332 and refiles it under rule 51.333. Verizon amended its public notice to reference the Commission's new rules for copper retirement notifications, which repealed rule 51.332 and made copper retirements subject to rule 51.333. The new rules became effective on May 14, 2018. All other information in the public notice remains the same. Also, as required by the newly effective rules, Verizon submits its Certification of Public Notice of Copper Retirement under rule 51.333 to certify that a copy of the public notice was mailed to appropriate telephone exchange providers that interconnect with Verizon's network. Finally, we submit a Certification of Public Notice of Network Change under rule 51.329(a) to provide notice that the refiled copper retirement notice was posted to Verizon's website.

Specifically, Verizon is providing notification of the replacement of copper distribution and loop facilities with fiber-to-the-premises facilities at all locations in the Second Avenue, VA wire center. Upon completion, Verizon will provide services available over its fiber optic network.

The majority of customers served by copper at these locations purchase "plain old telephone service." Following transition to fiber, Verizon will continue to offer these customers the same POTS over fiber at the same price as they received on copper facilities, with no change in the underlying features and functionalities in their service.

There may be one or more obsolete, narrowband services (such as certain DS0 level services) that are incompatible with or unavailable over fiber. If so, we will work closely with those customers to address their particular needs.

Please contact me should you need any further information.

Sincerely

**CERTIFICATION OF PUBLIC NOTICE OF NETWORK  
CHANGE UNDER RULE 51.329(a)**

On June 29, 2018, the following Public Notice of Network Change has been made by Verizon pursuant to 47 C.F.R. §§ 51.325 – 51.335.

The Public Notice(s) may also be viewed on Verizon's website at:  
<http://www.verizon.com/about/terms-conditions/network-disclosures>

Title(s) of Network Notification(s):  
REFILED Copper Retirement ID No. 2018-01-A-VA

**Michael Warnken**  
**Specialist – Communications**  
Verizon Partner Solutions

Date: June 29, 2018

6929 N. Lakewood Avenue  
Tulsa, OK 74117

**PUBLIC NOTICE OF COPPER RETIREMENT UNDER RULE 51.333**  
**REFILED Copper Retirement ID No. 2018-01-A-VA**

June 29, 2018

**Carrier:** Verizon Virginia LLC, 22001 Loudoun County Parkway, Ashburn, VA 20147

**Contact:** For additional information on these planned network changes, please contact:

Janet Gazlay Martin  
Director – Network Transformation  
Verizon Communications  
230 W. 36<sup>th</sup> Street, Room 802  
New York, NY 10018  
1-844-881-4693

**Implementation Date:** On or after March 9, 2019

**Planned Network Change(s) will occur at all locations in the following wire center in Virginia:**

Wire Center	Address	CLLI
SECOND AVENUE, VA	2820-24 2nd Avenue, Richmond, VA 23221	RCMDVASN

**All of Verizon's copper retirement notices may be viewed on Verizon's website at**

<http://www.verizon.com/about/terms-conditions/network-disclosures>

**Description of the planned network change(s):**

Verizon intends to retire the copper facilities in the Second Avenue, VA wire center. Verizon has deployed or plans to deploy its fiber-to-the-home network in this area and intends to provide services over a fiber network infrastructure.

**Description of reasonably foreseeable impact(s) of the planned change(s):**

After the retirement of the copper facilities, Verizon will: (1) no longer offer services over copper facilities; and (2) cease maintaining the copper facilities. To help ensure an orderly transition, Verizon may require customers and interconnecting entities to migrate services off of copper facilities well before the copper retirement implementation date.

**Description of any changes in prices, terms, or conditions that will accompany the planned change(s):**

As a general matter, the retirement of copper facilities will not result in changes to rates, terms, and conditions in cases where the affected service is converted to a like-for-like service that is available on fiber facilities. Interconnecting entities, however, should review the applicable tariff or agreement for certain terms that may apply specifically in cases where the service is provisioned on fiber. In cases where interconnecting entities elect to replace the affected service with an alternative service that Verizon offers on fiber facilities, the rates, terms and conditions will be as set forth in the tariff or agreement under which Verizon offers the replacement service that the interconnecting entity selects. Verizon, separately from this notice, will provide interconnecting entities with further information regarding service migration options that Verizon offers.

## **CERTIFICATION OF PUBLIC NOTICE OF COPPER RETIREMENT UNDER RULE 51.333**

I, Peter Eger, do hereby certify that on March 9, 2018 (a minimum of five business days prior to filing with the Commission), I caused a copy of Verizon's March 9, 2018 Public Notice of Copper Retirement under Rule 51.332 to be served upon each interconnecting entity, including telephone exchange service providers, that directly interconnects with Verizon's network in the applicable area(s). The March 9, 2018 Public Notice of Copper Retirement is substantively identical to the refiled June 29, 2018 Public Notice of Copper Retirement under Rule 51.333. The only difference is that the June 29 Public Notice of Copper Retirement refers to new rule 51.333 in the title of the notice. All other information, including the copper retirement effective date and the affected areas, is the same. Attached are the names and addresses of those providers who were served.

The Public Notice(s) may also be viewed on Verizon's website at:

<http://www.verizon.com/about/terms-conditions/network-disclosures>

Title(s) of Network Notification(s):
