**Re: Supplemental Submission to Joint Domestic and International Section 214  
Application for Transfer of Control of PacOptic Networks, LLC  
WC Docket No. 18-211**

Dear Ms. Dortch:

On behalf of PacOptic Networks, LLC (“PacOptic”) and the Applicants in connection with the applications noted above for the transfer of control of PacOptic, please accept this letter as a supplement to those applications.

Following my conversations with Staff, this letter confirms that Mr. Dahl currently holds no ownership interest in any telecommunications provider. Mr. Dahl’s proposed acquisition (via 385 Inc.) of Mr. Matthews’s membership interests in PacOptic, if approved, will represent the first telecommunications provider in which Mr. Dahl will hold an ownership interest.

Please contact me if you have any questions regarding this submission.

Respectfully submitted,

/s/

Joseph P. Bowser
