

My name is Tim Lee, and I am the Owner of WJDR 98.3 FM in Prentiss, Mississippi

I fully support the FM Class C4/73.215 petition filed by MMTC and SSR Communications, Inc. and urge the Commission to adopt the complete proposal.

This proposal would help our station greatly in filling in gaps in the areas we serve. WJDR has been a community partner with a very rural area of Mississippi which has few other media outlets.

I ask that you consider full implementation of the MB 18-184 proceeding without delay.

Sincerely,

Tim Lee
