Re: WC Docket No. 09-197
Erratum to Supplement to DTC Cable, Inc. Petition for ETC Status in New York

Dear Ms. Dortch:

On July 2, 2018, DTC Cable, Inc. ("DTC") submitted a Petition seeking a designation as an eligible telecommunications carrier ("ETC") in the State of New York. A list of census blocks awarded by New York State that are eligible to receive Connect America Fund ("CAF") Phase II support awarded via the New NY Broadband Program ("Broadband Program") and for which DTC is seeking ETC designation was included as Exhibit 1. That Exhibit 1 inadvertently included census tracts that should not have been part of its Petition. This filing corrects that Exhibit 1 in its entirety with Exhibit 1, Revision 1.

Should there be any questions, please call or email me.

Sincerely,

A handwritten signature in black ink that reads "Eileen M Bodamer". The signature is fluid and cursive, with the first name "Eileen" and last name "Bodamer" clearly distinguishable.

Eileen M Bodamer
Consultant to DTC Cable, Inc.
