E-Rate First is requesting the Commission to waive the Funding Year 2014 invoice deadline. E-Rate First replaced the skill set that was handling the E-Rate filings at the school. After reviewing the client's funding for FY 2014, we found that the district's reimbursement requests were not submitted. We are requesting that the Commission waive the invoice deadline for the following two (2) funding requests.

471 Application Number	FRN	Spin	Service Provider Name	Service	Funding Award
948550	2581561	143020549	Mega Path Corporation	T	\$4603.78
948550	2581906	143020549	Mega Path Corporation	IA	\$8074.32

Please contact me if you have any questions. Thank you for your consideration.
