

The FCC's Open Internet Rules (net neutrality rules) are extremely important to me. I urge you to protect them. I don't want ISPs to have the power to block websites, slow them down, give some sites an advantage over others, or split the Internet into "fast lanes" for companies that pay and "slow lanes" for the rest. Please publicly support the FCC's existing net neutrality rules based on Title II, and stop any efforts to weaken those rules. Thank you. L. Wells
