RE: Xtelesis Corporation (FRN 0021-7222-51)

To whom it may concern:

This letter is in reference to the February 1, 2016 499Q for Xtelesis Corporation (FRN 0021-7222-51) to file an appeal for a waiver of due date. As an attempt to resolve this issue, we have contacted USAC but were directed to file the appeal with the FCC.

It has come to our attention that the projections for the 499-Q from February were overstated and the USAC bill has doubled from previous bills. The original projection was set at \$237,470 instead of \$137,470.

Please let me know if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Julie Gladstone".
