ECFS Help & To Whom This Concerns,

We respectfully request FCC rule waiver on Rural Health Care Program: WC Docket No. 02-60 in order to file **Form 462 for Fund Cycle 2015** for funding period 6/6/2016-6/30/2016. Attached is the FCC Form 461 for HCP 47639 where it does state we had until 6/30/16 to file, yet we had extenuating Personal & Professional circumstances which prevented us to file Form 462 in June2016. We kindly request a one-time FCC waiver to this rule so that we can submit for USAC funding period 6/6/2016-6/30/2016 as the circuit was installed 6/6/2016 and desperately need USAC relief/support on circuit installation and partial month charges for HCP 47639 in rural Butler, MO. If there is any additional information I can supply or questions you may have, I'd be more than happy to discuss further; I can be reached directly at 816-251-6059. Your help in this matter is greatly appreciated.

Kind regards,

Cindy M Chansley
