Narrative

I would like to appeal the denial of FRN 1799095586. This FRN was filed with the Interim SPIN. The service provider filed the Form 498 twice to get a SPIN and never received it from USAC. When I received a PIA on 8/22/2017 asking for the updated SPIN, I responded on 8/23/2017 saying: "The Service Provider said they submitted all documentation for their SPIN months ago and then re-filed it again about 2 months ago since they never got their SPIN from USAC. Do you have a good contact for them so they can get this resolved?" I thought the PIA reviewer would have initiated a second PIA or given me an extension since I had asked her how to get it resolved, but instead I received a denial. In the meantime, after several phone calls to USAC, the Service Provider received their SPIN. I would like to appeal the FCDL Denial for FRN 1799095586. We now have the updated SPIN for the Service Provider and request Funding for this FRN with the accurate SPIN number. Please update the SPIN on FRN 1799095586 to: SPIN: 143050281 Service Provider Name: Planet Earth PC Thank you.
