E-Rate Productivity Center Revised Funding Commitment Decision Letter for 128844 -

CLAY COUNTY PUBLIC LIBRARY

Thank you for participating in the Schools and Libraries Program for Funding Year 2017. This letter is your notification that we have completed our review of the post-commitment requests submitted by you or your service provider, which can include appeals, service substitutions, SPIN changes, FCC Form 486 reviews, and/or FCC Form 500 reviews.

There are two files attached to this notification, both of which provide important information. The Excel file provides the funding decision for each FRN included in your post-commitment requests, and lists any changes USAC made to the FRNs. The second file contains information about your appeals rights, and other important program reminders. An explanation of the fields in the RFCDL is available in the EPC section of our website.

NEXT STEPS

- If you disagree with USAC's decision, review the attached pdf to determine how to appeal.
- If the FCC Form 486 has not already been submitted, use the information in this notification to file one in EPC now.
- Work with your service providers to determine who will be invoicing USAC. If you have paid in full for services already delivered and are seeking reimbursement, make sure that you have an FCC Form 498 on file, and then submit your FCC Form 472 (BEAR).

Remember the deadlines for delivery and installation of your services. Your deadlines are listed in column AC of the attached spreadsheet. USAC will not approve an invoice when services are delivered after this date. A request to extend the service delivery deadline is only available in certain circumstances. More information can be found on our website.

The "More Info" link below provides summary data about your requests in this wave. Click on the date/time below to display the entire notification for easy printing. Please keep a copy of this notification for your records.
