

I strongly oppose Chairman Pai's proposal to reverse net neutrality protections because a free and open internet is vital for our democracy, for our businesses, and for our daily lives. It would give giant internet companies the power to prioritize what we read, watch, and explore online. I won't stand for it. It's about my right to be heard and my right to hear others. I submit my public comment to oppose Chairman Pai's proposal to reverse net neutrality protections.
