Dear Bureau Chief Fowlkes,

This letter is to inform you of FEMA's intent to conduct a National EAS Test on one of the following dates.

Primary Date - Wednesday, September 27, 2017  
Secondary Date - Wednesday, October 4, 2017

The proposed test will be originated in the same manner as the National EAS Test which was successfully conducted on September 28, 2016. Wade Witmer, IPAWS Deputy Director, will serve as my POC to work with your staff to coordinate a meeting to discuss test details.

Regards,
