Re: WC Docket No. 19-44, Petition for Declaratory Ruling in Response to Primary Jurisdiction Referral, *Autauga County Emergency Management Communication District et al. v. BellSouth Telecommunications, LLC*, No. 2:15-cv-00765-SGC (N.D. Ala.)

Dear Secretary Dortch:

The 911 Districts for Autauga County, Calhoun County, Mobile County, and the City of Birmingham in Alabama (the “Districts”) had planned to make an extensive *ex parte* submission last Friday, addressing various questions raised by the Commission staff and arguments made by BellSouth and other telecom commenters. Just before making their submission, the Districts received a copy of the *ex parte* filing by AT&T, CenturyLink, and Verizon on July 11, 2019. For the Commission’s convenience, the Districts will make a single submission that also addresses the issues raised in AT&T *et al.*’s July 11 filing. The Districts will submit their paper no later than early next week.

Yours truly,

Brannon J. Buck
