Subject: Request to Waive the Form 471 Deadline for eRate Funding Year 19  
To: Federal Communications Commission (FCC)  
From: Mrs. Marietta Redhair, Acting Principal / Leupp Schools, Inc. (BEN: 98657)  
Thru: James Rollison, JFR Tech, LLC (Consultant Registration Number: 17018927)

Leupp Schools, Inc. (BEN: 98657) is requesting the FCC to waive the Form 471 application filing deadline for eRate Funding Year 19. The reason the deadline was missed was due to non-negligence as there was a lack of personnel at the administrative level that led the school to become unaware of the March 27<sup>th</sup>, 2019 deadline for submitting the application. At this time, the school has identified an "Acting Principal" yet does not have a Business Manager.

On 7/8/2019 Leupp Schools, Inc. was notified that Form 471 for eRate funding year 19 had not been filed and that the current 5-year contract [Originating Form 470 Number 180024863 (eRate Funding Year 18)] with internet

service provider (ISP), Wecom, is still the responsibility of the school regardless of USAC/eRate funding. Having received this information, the school filed Form 471 (Form 471 Application Number: 191042959) on 7/17/2019 and is looking to obtain approval from the FCC to have the Form 471 deadline for eRate funding year 19 waived as so to be considered by USAC for eRate program funding.

Your attention to this matter is greatly appreciated,
