Funding year 2016

I am filing an appeal on behalf of Our Lady of the Lake School, a small, rural school with limited resources. In 2016 they hired a consultant Diocesan Advocates (17000013) to do their erate forms. This consultant filed the 470. They filed the 471 #161061922 out of window and didn't follow-up, appeal or do anything more. The client called the consultant to find out how their application was coming along, and the consultant told them a story about there being a flood and all of their documents destroyed. Our Lady then hired me as their consultant.

Attached is the 471 and the reason for the form to be denied.

Please consider my request on behalf of Our Lady of the Lake School.

Sincerely,

Mary Maderich (16062644)
