FOURTH JOINT STATUS REPORT

Pursuant to Staff’s April 14, 2016 Interim Order (“Interim Order”) and the Joint Status Reports filed on June 14, 2016, July 1, 2016 and July 8, 2016, Worldcall Interconnect, Inc. (“WCX”) and AT&T Mobility LLC (“AT&T”) (together, the “Parties”) submit this Fourth Joint Status Report addressing the Parties’ negotiations regarding the remaining issues as per the Interim Order. Since the last Joint Status Report, the Parties have continued to work on finalizing a roaming agreement to be executed in the near future. As previously noted, once that agreement is executed, Staff should be in a position to convert the Interim Order into a final order.

If Staff has any questions concerning the foregoing, the Parties’ counsel are available for conference call to discuss such matters. The Parties will submit a fifth joint status report on or before July 29, 2016.

Dated: July 22, 2016

Respectfully submitted,
