FCC Form 481, Line 1210: Lifeline Plan Terms and Conditions

**BTC, Inc.**

**Lifeline Terms and Conditions**

BTC, Inc. offers Lifeline program-supported service to qualified low-income residential consumers for one telephone line per eligible household. The lifeline program provides discounts to eligible low-income consumers to help them establish and maintain telephone service. Lifeline assistance lowers the cost of basic, monthly local telephone service. Eligible consumers can receive \$9.25 per month in discounts. In addition, the Federal Universal Service Charge is not assessed to consumers participating in Lifeline. Toll blocking prevents the placement of all long distance calls for which a subscriber would be charged. Toll block is available to eligible consumers at no cost. Also, by choosing this option, consumers are usually not charged a deposit.

**Lifeline Program Eligibility Information**

**Program Based Eligibility**

Consumers are eligible for Lifeline if they, one of their dependents or their household participate in one of the following qualifying assistance programs:

Low-Income Home Energy Assistance Program (LIHEAP)  
Federal Public Housing Assistance (FPHA) or Section 8  
Supplemental Nutrition Assistance Program (SNAP)  
Medicaid  
National School Lunch Program's (NSLP) Free Lunch Program  
Program Supplemental Security Income (SSI)  
Temporary Assistance for Needy Families (TANF)

Lifeline applicants must present documentation demonstrating eligibility either through participation in one of the qualifying federal assistance programs or through income-based means.

Acceptable documentation of program-based eligibility includes: current or prior year's statement of benefits from a qualifying state federal or Tribal program; notice letter of participation in a qualifying state federal or Tribal program; program participation documents; or another official document evidencing the consumer's participation in a qualifying state, federal or Tribal program.

**Income Based Eligibility**

In addition, consumers are eligible for Lifeline if their household income is at or below 135% of the federal poverty guidelines.
