Proceeding No.	02-6

### Appeal Explanation:

We are requesting a waiver of the E-rate requirement to appeal a decision within 60 days of the issued letter, for USAC appeal #156888.

On 7/18/19 the service provider Crown Castle reached out to the Erate consultant for Chappaqua CSD informing that the funding committed for FRN #1999005837 was only the undiscounted 60% portion of the services. The problem at hand here is the invoice used for supporting documentation of the monthly recurring cost did not clearly show that an Erate discount has been applied on the summery total pages. The MRC was incorrectly data entered on the Form 471 as \$5,172.56 when it should be the full eligible amount of \$8,620.93. Crown Castle did not notify the applicant or consultant of this error until 7/18/19. The FCDL was issued 4/27/19. We filed the appeal 7/25/19.

The FCC has historically granted a grace period of appeals for ministerial/clerical errors filed closely behind the 60 day deadline. We request that the FCC honor this grace period and grant USAC appeal # as filed within the required deadline for consideration.

Sincerely,

Tiffany Bullion
