MM Dispatched No. 92-226 BY

In the Matter of

Amendment of Section 73.202(b), RM-8082
Table of Allotments,
FM Broadcast Stations.
(Seminole, Oklahoma)

NOTICE OF PROPOSED RULE MAKING

Adopted: September 24, 1992; Released: October 23, 1992

Comment Date: December 14, 1992
Reply Comment Date: December 29, 1992

By the Chief, Allocations Branch:

1. The Commission has before it the petition for rule making filed by One Ten Broadcast Group, Inc. ("petitioner"), requesting the substitution of Channel 290A for Channel 288A at Seminole, Oklahoma, and the modification of Station KIRC's license to specify operation on the alternate Class A channel. Petitioner states that it will apply for the channel, if allotted.

2. Petitioner submits that Station KIRC, operating on its present channel, is precluded from improving the station's operating power to 6 kW because of short-spacings to Station KKND, Channel 288A, Stillwater, Oklahoma, and Station KXXX, Channel 288A, Chickasha, Oklahoma. However, an improvement of the station's facilities to 6 kW is possible if Channel 290A is substituted for Channel 288A.

3. We believe the public interest would be served by proposing the substitution of Channel 290A for Channel 288A at Seminole, Oklahoma, since it could enable Station KIRC to operate with full Class A power of 6 kW and expand its coverage area. Channel 290A can be allotted to Seminole in compliance with the Commission's minimum distance separation requirements at the station's licensed site.¹ As requested, we also propose to modify Station KIRC's license to specify Channel 290A in lieu of its present Channel 288A. We will not accept competing expressions of interest in this equivalent channel substitution.

4. Accordingly, we seek comments on the proposed amendment of the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, for the community listed below, to read as follows:

City	Channel No.	
	Present	Proposed
Seminole, Oklahoma	288A	290A

5. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before December 14, 1992, and reply comments on or before December 29, 1992, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

(Petitioner)

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981.

8. For further information concerning this proceeding, contact Leslie K. Shapiro, Mass Media Bureau, (202) 634-6530. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no ex parte presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an ex parte presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in the proceeding.
