NOTICE OF PROPOSED RULE MAKING

Adopted: September 25, 1992; Released: October 23, 1992

Comment Date: December 14, 1992
Reply Comment Date: December 29, 1992

By the Chief, Allocations Branch:

1. The Commission has before it the petition for rule making filed by Mayflower Broadcasting Corporation ("petitioner") requesting the substitution of Channel 270C3 for Channel 270A at Monticello, Florida, and the modification of Station WJPH(FM)'s license to specify operation on the higher class channel.¹

2. We believe the public interest would be served by proposing the substitution of Channel 270C3 for Channel 270A at Monticello since it could provide the community with a wide coverage area FM service. Channel 270C3 can be allotted to Monticello in compliance with the Commission's minimum distance separation requirements with a site restriction of 18.0 kilometers (11.2 miles) south, in order to accommodate petitioner's desired transmitter site.² As requested, we also propose to modify Station WJPH(FM)'s license to specify Channel 270C3. In accordance with Section 1.420(g) of the Commission's Rules, we will not accept competing expressions of interest in the use of Channel 270C3 at Monticello or require the petitioner to demonstrate the availability of an additional equivalent class channel for use by such parties.

3. Accordingly, the Commission believes it would be in the public interest to seek comments on the proposal to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, with respect to the following community:

6. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See Certification that Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981.

7. For further information concerning this proceeding, contact Nancy J. Walls, Mass Media Bureau, (202) 634-6530. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no ex parte presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an ex parte presentation and shall not be considered in the proceeding. Any reply comment which has not been served

¹ Although petitioner's request indicates that the original copy of its proposal was signed, it failed to include an affidavit verifying that the statements contained in its petition were accurate to the best of its knowledge. Section 1.52 of the Commission's Rules requires that the original of any document filed with the Commission by a party nor represented by counsel shall be signed and verified by the party and his/her address stated. In the absence of such verification, the petition may be dismissed. Section 1.402(b) of the Commission's Rules concern-

ing rule making proceedings places petitioners on notice that their proposal must conform with the requirements of Section 1.52 regarding subscription and verification. See also amendment of Sections 1.420 and 73.3584 of the Commission's Rules Concerning Abuses of the Commission's Processes, 5 FCC Rcd 3910, n.41 (1990). Petitioner is requested to rectify this omission in its comments.

on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in the proceeding.
